

DR. SUSHANTH B MUMMIGATTI

Consultant - Orthopaedic & Trauma Surgeon

Qualification

MBBS | MS (Orthopaedics) | DNB in Orthopaedics

Overview

Dr Sushanth B. Mummigatti is a highly skilled and compassionate orthopaedic surgeon, currently working in Manipal Hospitals, Goa. He is dedicated to helping patients overcome bone and muscle issues. He brings a wealth of experience and qualifications to the table, ensuring the best possible care in the areas of emergency, trauma and general orthopaedics. He is the Best Orthopedic Surgeon in Goa. Dr Mummigatti earned his MBBS degree from the prestigious Vijayanagara Institute of Medical Sciences (Rajiv Gandhi University), where he received a gold medal, and went on to specialize in orthopaedics with an MS degree from Goa Medical College (Goa University). His commitment to excellence is further demonstrated by his certifications in DNB Orthopaedics and MNAMS. Dr Sushanth further sharpened his skills by completing a Fellowship in Trauma, making him particularly adept at handling emergencies and their aftermath. Dr Sushanth began his career by gaining valuable experience as a junior consultant orthopaedic surgeon. He then embarked on a senior residency at Goa Medical College, solidifying his expertise before venturing into private practice within Goa for two years. Dr Mummigatti's extensive training

equips him to manage a wide range of orthopaedic conditions. Leveraging his fellowship training, Dr Sushanth excels in treating a variety of injuries, including fractures, ligament tears, dislocations, and other musculoskeletal traumas. He is skilled at providing prompt and effective care during critical moments. He can diagnose and treat a wide range of musculoskeletal conditions, from arthritis and sports injuries to joint pain and bone deformities. Dr Sushant is well-versed in English, Hindi, Kannada, Konkani, and Telugu, allowing him to communicate clearly and effectively with a wide range of patients. Additionally, his understanding of Marathi and Tamil allows him to bridge communication gaps and ensure patients feel comfortable and understood throughout their treatment journey. Dr Mummigatti's dedication to education, experience, and clear communication make him an invaluable asset to his patients
