

DR. MANASA G V

Associate Consultant - Obstetrics and Gynaecology

Qualification

MBBS | MS(OBG) | DNB(OBG) | Diploma in Minimal Access Surgery | Fellowship in Minimal Access Surgery

Overview

Dr. Manasa G V is a qualified Gynaecologist in Goa, currently practicing at Manipal Hospitals, Goa. She specialises in managing high-risk pregnancies and infertility. She is skilled in providing comprehensive care for women at all stages of life. Dr. Manasa holds her MBBS degree from Belgaum Institute of Medical Sciences, Karnataka. Later, she earned an MS degree in Obstetrics and Gynaecology from Rajiv Gandhi University, Bangalore. She has also completed a DNB (Diplomate of National Board) in Obstetrics and Gynaecology from the National Board of Examinations, New Delhi. With a wealth of clinical experience, Dr. Manasa has handled complex obstetric cases, including cord prolapse, twin deliveries, shoulder dystocia, eclampsia, and postpartum haemorrhage (PPH). Her commitment to ensuring safe and healthy deliveries in challenging circumstances sets her apart as a trusted practitioner. She has a special interest in antenatal and postnatal care, focusing on the well-being of both mothers and their new-borns. Along with the clinical expertise, Dr. Manasa is dedicated to advancing medical education. She regularly engages in teaching, case presentations, clinical meetings, and seminars, contributing to the

training of future healthcare professionals. Dr. Manasa is also an accomplished researcher, having presented her work at national and international conferences. Notable achievements include a presentation on the management of dengue-related ovarian thrombophlebitis and a talk on immunology in pregnancy at the World Congress of Immunology in Dubai. Her postgraduate thesis focused on studying the effects of antenatal and early postnatal depression on maternal and foetal outcomes, highlighting her interest in both the physical and emotional well-being of her patients. Dr. Manasa speaks several languages, including English, Kannada, Hindi, Marathi, and Malayalam, making her accessible to a diverse range of patients. Her expertise and compassionate approach make Dr. Manasa an invaluable part of the Obstetrics and Gynaecology team at Manipal Hospitals, Goa.
