

DR. AASHUTOSH SONIYA

Consultant - Paediatrics

Qualification

MBBS | MD (Pediatrics)

Overview

- Dr. Aashutosh is a specialist in the field of pediatrics with skills in treating diseases related to children. His training has given him a broad insight into the subject of pediatrics, as he acquired all the necessary skills to deal with the vast and challenging problems encompassing the field. He coordinates the care of the newborn immediately after birth and is skilled in resuscitation of the newborn. Providing post-operative care to children after surgical procedures, renal replacement therapy, inserting arterial and venous lines, and initiating mechanical ventilation for all ages in children are some of his skills. He has excellent skills in the care of critically ill newborns and children, exchange transfusions, lumbar punctures, and care of low birth weight and premature babies. He is a professional [paediatrician in Gurugram](#) who values ethics and practices evidence-based medicine and follows international and national protocols in patient management. His commitment to his patients is evidenced in his work, round the clock to ensure patient care. He counsels patients and families in an empathetic manner, which makes him an excellent Pediatrician.
