

DR. AISHWARYA DEVARAJ

Consultant - Dermatology , Venereology & Leprosy Dermatologist

Qualification

MBBS | MD

Overview

Dr. Aishwarya Devaraj is a humble and worthwhile clinical & aesthetic dermatologist, who has a roaring history of happy patients and has always been giving her best in deciding what is ideal for the patients by vividly listening and diligently curating the treatment options. She is soft-spoken and calm while being sharp, bold and compassionate when it comes to dealing with conflicts. She cares with all her heart - the patients she treats and the institute she works in, keeping a gracious relationship with all her co-workers. She is the best dermatologist in Gurgaon. Dr. Aishwarya Devaraj's areas of interest lie in treating cases of acne vulgaris ranging from mild to fulminant conditions and dealing with complications like post-acne scarring and pigmentation. She actively involves herself in guiding her patients to use the right skin care techniques which help in improving skin health as a whole rather than treating a single issue. She believes in following a holistic approach where having a healthy lifestyle is a key ingredient in the long-term remission of many chronic conditions like acne, acanthosis nigricans, hair fall etc. Dr. Aishwarya Devaraj is experienced and courteous while dealing with patients suffering from severe conditions

like drug rash, anaphylaxis, angioedema, pemphigus and pediatric age group. Under her purview comes the most demanding aspect- anti-ageing and she truly believes she can guide her patients in the best possible way by preserving the natural aspects and refining the weaker areas so that we age graciously and embrace the natural process while enhancing the features that will make you look as well as feel elated. However, in this field of ongoing upgradation and newer techniques being discovered, she is a learning enthusiast and has the spirit to continue acquiring knowledge so that she can be a part of the ingenious dermatology fraternity worldwide.
