

DR. NAMIT KALRA

Consultant - Surgical Oncology

Qualification

MBBS | DNB (Surgery)

Overview

Dr. Namit Kalra is a distinguished name in the field of Surgical Oncology, widely recognised for his patient-centred philosophy and extensive clinical expertise. Presently, he serves at Manipal Hospitals—an institution celebrated for its ethical standards, clinical excellence, and unwavering commitment to patient care. With a deep understanding that each cancer journey is unique, Dr. Kalra values clear and compassionate communication. He guides patients and their families through the often overwhelming phases of cancer diagnosis, treatment planning, and recovery. He embodies the hospital's vision of making advanced, cost-effective, and compassionate therapies accessible to everyone. His proficiency extends to performing complex surgeries for solid organ and soft tissue tumours, with particular mastery in minimally invasive techniques that offer quicker healing and less post-surgical discomfort for patients. Dr. Kalra strongly believes in the power of teamwork within healthcare. He collaborates closely with medical oncologists, radiologists, and pathologists to ensure every patient receives a comprehensive, personalised treatment plan. Known for his thorough approach, he is dedicated to

supporting individuals at all stages of care—from discussing expected outcomes before surgery to diligent post-operative monitoring—always with a focus on maintaining each patient's dignity and peace of mind. His clinical portfolio encompasses a wide range of malignancies, including cancers of the gastrointestinal tract, breast, and female reproductive organs. Dr. Kalra is committed to integrating the latest technological advancements into his surgical practice to continually improve patient outcomes. Moreover, he takes an active role in cancer prevention initiatives and patient education, empowering individuals with knowledge about modern treatments and practical self-care strategies. The ethos of Manipal Hospitals is inclusivity and excellence in healthcare—ensuring that quality medical services are both affordable and accessible to all sections of society. Dr. Kalra is a key figure in realising this mission, meticulously combining surgical precision with a nurturing environment where patients are always treated with respect and understanding. Through his dedication, he consistently strives for the highest standards of care, helping patients not just overcome their illness but also improve their overall quality of life.
