

DR. SALIL YADAV

Consultant - General Surgery & Minimal Access and Robotic Surgery

Qualification

MBBS | MS

Overview

Dr Salil Yadav, we are a team of highly skilled and dedicated surgeons committed to providing exceptional patient care through advanced surgical techniques. Specialising in Robotic Surgery, Laparoscopic Surgery and Minimal Access invasive procedures, we focus on delivering effective treatments with minimal discomfort, reduced recovery times, and excellent outcomes. With years of experience and a patient-centred approach, our mission is to combine expertise, innovation, and compassion to address your health needs. Whether performing routine procedures or managing complex cases, we strive to ensure every patient feels informed, comfortable, and confident in their journey to recovery. At the heart of our practice is a commitment to excellence and a passion for improving lives.
