

DR. NITISH ANCHAL

HOD & Consultant - Vascular and Endovascular Surgery

Qualification

MBBS | MS (Gen Surgery) | Fellowship in Vascular and Endovascular Surgery

Overview

Dr. Nitish Anchal is a highly experienced vascular and endovascular surgeon with over a decade of expertise in managing complex arterial and venous disorders. His clinical focus spans advanced endovascular procedures for aortic, carotid, and infra-popliteal arterial lesions, as well as comprehensive care for venous diseases and diabetic foot complications. Recognised as a leader in his field, Dr. Anchal is deeply committed to advancing minimally invasive vascular treatments, which are increasingly shaping the future of vascular care in India. He completed his fellowship in vascular and endovascular surgery at one of India's premier vascular institutes, equipping him with cutting-edge skills in both open and endovascular techniques. Dr. Anchal also holds a Master's in Surgery (MS) and an MBBS degree, reflecting a strong academic foundation and a lifelong dedication to medical excellence. Over his career, Dr. Anchal has held multiple senior positions in vascular surgery departments, including leadership roles where he spearheaded the development of advanced surgical programs and multidisciplinary patient care pathways. He is known for his high-performance track record, combining surgical precision with

compassionate patient management. His contributions have been recognised through awards for exceptional clinical performance and leadership, highlighting his commitment to improving patient outcomes. In addition to his clinical practice, Dr. Anchal actively engages in academic and professional forums. He is a life member of the Vascular Society of India and regularly participates in national and international conferences on vascular surgery and venous disorders. His presentations and seminars focus on the latest developments in endovascular therapies, reflecting his dedication to continuous learning and knowledge sharing within the medical community. Dr. Anchal's expertise encompasses the full spectrum of vascular surgery, including complex limb salvage procedures, management of peripheral arterial disease, treatment of diabetic foot ulcers, and minimally invasive endovascular interventions. Patients and colleagues alike value his meticulous surgical technique, evidence-based approach, and ability to tailor treatments to individual needs. With a vision to advance vascular care and improve quality of life for patients with challenging vascular conditions, Dr. Nitish Anchal continues to be a trusted authority in the field of vascular and endovascular surgery.

Fellowship & Membership

- Fellowship in Vascular & Endovascular Surgery (JIVAS / FVES)
- Member - Vascular Society of India

Field of Expertise

- Vascular & Endovascular Surgery
- Varicose Veins Treatment
- Aortic Aneurysm Surgery
- Peripheral Arterial & Venous Diseases
- Carotid Artery Disease

- AV Fistula Creation (Dialysis access)
- Endovascular Procedures & Minimally Invasive Vascular Treatments

Languages Spoken

- Hindi
- English
- Kannada
- Nepali

Awards & Achievements

- Published research on rare medical conditions (e.g., parathyroid cysts, gastric outlet obstruction)
- Multiple research contributions and clinical publications
- Extensive experience (18+ years) in vascular surgery
