

DR. ITEE CHOWDHURY

Consultation - Oncology Anaesthesiologist

Qualification

M.B.B.S | D.A | DNB (Anaesthesiology)

Overview

Dr. Itee Chowdhury is an onc anaesthesiologist at Manipal Hospitals. With 27 years of experience, she has keenly looked after the care and safety of cancer surgery patients. Dr. Chowdhury started her medical journey from Lady Hardinge Medical College, Delhi, with an MBBS degree. She later completed her postgraduate training in anaesthesiology (DA) from Safdarjung Hospital and earned her DNB from the National Board of Examination (NBE). All these well-known institutes helped establish a medical background for Dr. Chowdhury and shaped her approach towards medicine. For Dr. Chowdhury, anaesthesia for complicated lung cancer surgeries, bronchoscopy for difficult airways, onco hepato-pancreato-biliary surgeries, and gynae-onco Hipec surgeries is of special concern. Dr. Itee’s clinical knowledge and professional integrity, as well as her quiet demeanour, have earned her solid trust from patients and surgeons, especially in the fields of neuroanaesthesia and robotic oncoanaesthesia, where attentiveness and accuracy are of utmost importance. She has also served in renowned cancer care hospitals in India, holding immensely valued positions and contributing significantly to patient care and

surgical outcomes. Dr. Chowdhury actively contributes to both Indian and international anaesthetic communities, holding memberships in the Indian College of Anaesthesiologists (ICA) and the European Society of Anaesthesiology & Intensive Care. Her research and clinical expertise have been recognised globally with prize-winning poster presentations and papers at prominent conferences such as Euroanaesthesia in Lisbon, ASA in Orlando, IARS in Chicago, and international meetings in Spain. She has been invited as a speaker and as chairperson at key academic events, continually advancing the field through her insights and leadership. With over 35 case reports and research articles published in leading national and international journals—including the prestigious European Journal of Anaesthesiology—Dr. Chowdhury's scholarly work is widely appreciated. Fluent in Hindi, English, and Bengali, she connects with patients and families across diverse backgrounds, ensuring comfort and trust during stressful surgical experiences.

Fellowship & Membership

- Member of the Indian College of Anaesthesiologists [ICA].
- Member of the European society of anaesthesiology & intensive care.

Field of Expertise

- Oncoanaesthesia & Robotic oncoanaesthesia.

Languages Spoken

- Hindi
- English
- Bengali

Awards & Achievements
