

DR. NEHA MISHRA

Consultant - Surgical Oncology

Qualification

MCh Surgical Oncology

Overview

I have received my training of Surgical Oncology from premier institutes in India, including AIIMS Delhi, AIIMS Rishikesh and TMC Varanasi. After completing MCh in Surgical Oncology, I have served as an Assistant Professor at Tata Memorial Centre, Varanasi. I have received mentorship from renowned experts during my training and work at both AIIMS and TMC. My training encompasses the entire spectrum of Surgical Oncology with expertise in Breast, GI and HPB cancers and Gynae- Oncology, including minimally invasive surgeries, cytoreductive surgeries with HIPEC, and complex cancer surgeries necessitating multivisceral resections. I have a patient-centric, multidisciplinary approach taking into account the unique biology of each and every disease and patient as a whole. I believe in comprehensive cancer counselling, assisting patients in confidently exploring and selecting appropriate treatment options, empowering them to comprehend the advantages and safety of contemporary cancer surgeries and other treatment modalities.

Fellowship & Membership

- Lifelong member of IASO since 2021 (M0148) and ASI (FL-37716) since 2014.

Field of Expertise

- Breast
- GI
- Gynae Oncology

Languages Spoken

- English
- Hindi
