

DR. PAURAV DABAS

Consultant - Dermatology

Qualification

MBBS | MD (SKIN & VD)

Overview

Dr. Paurav Dabas is a highly skilled dermatologist in Gurugram, renowned for his extensive experience in diagnosing and managing a broad spectrum of skin, hair, and nail conditions. Committed to excellence in patient care, he employs advanced techniques combined with a dedication to continuous professional development. Dr. Dabas has a particular passion for safe, natural-looking aesthetic procedures that enhance a patient's appearance while preserving their unique individuality. Following his MBBS, Dr. Dabas earned an MD in Skin & Venereal Diseases and further refined his expertise through a Fellowship in Aesthetic Dermatology and Laser. His clinical practice is firmly rooted in evidence-based medicine, compassionate care, and empowering patients to remain well-informed and confident throughout their treatment journey. Dr. Dabas emphasises ethical, personalised dermatology solutions, skilfully integrating both medical and aesthetic treatments to deliver optimal outcomes tailored to each patient's needs. Dr. Paurav Dabas is widely respected not only for his clinical expertise but also for his sincere and compassionate approach to patient care. His pragmatic mindset ensures that every treatment

plan is practical, effective, and tailored to the individual needs of his patients. The consistently positive feedback from his patients speaks volumes about his dedication, professionalism, and the trust he builds through empathetic communication and ethical practice. Driven by an ongoing quest for knowledge, Dr. Dabas actively participates in national and international seminars and conferences, staying at the forefront of the latest advancements in dermatology and aesthetic medicine. This commitment to continuous learning enables him to incorporate cutting-edge techniques into his practice, further enhancing the quality and outcomes of care he provides.
