Overview

Dr. Ritika Malhotra is a highly distinguished and globally recognized dental surgeon who serves as the Head of Department (HOD) of Dental Medicine. Bringing over twenty years of rich clinical experience to her practice, Dr. Malhotra has built a career defined by clinical excellence, leadership, and a deep commitment to patient care. In her clinical practice, Dr. Malhotra is a leading authority on cosmetic and restorative dentistry. Her areas of specialization encompass cosmetic dentistry, smile design, dental implants, aesthetic dentistry, general dentistry, and complex full-mouth rehabilitation. Her unique ability to combine art and dental science has earned her a reputation for creating natural, beautiful smiles, making her a sought-after expert for patients seeking advanced smile makeovers. Her clinical acumen has been recognized on a massive scale, leading to her being named among the Top 10 Dentists in India three times in the last three years alone. Beyond her clinical practice, Dr. Malhotra is a prominent voice in the dental community and a respected leader in professional education. She has served as the Regional Head for Delhi for Smile

Care, Mumbai, overseeing Continuing Dental Education Programmes, and is the former North India Head for the Organising Committee of the Indian International Dental Congress (IIDC). Deeply committed to giving back to society, she also serves as a Trustee and the Head of the Dental Department for the Amrit Charitable Society, a non-governmental organization dedicated to providing essential dental care to underserved populations. Dr. Malhotra is also a widely recognized public figure and educator on oral health. A prolific writer, she has published extensive articles on dental health in international journals, prominent national newspapers, lifestyle magazines, and leading online health portals. Through her clinical brilliance, philanthropic efforts, and public advocacy, Dr. Malhotra continues to elevate the standards of dental care in India and beyond.
