

DR. MARUTHESH GOWDA C

Consultant - Laparoscopic GI Surgeon and Robotic Assisted Surgery

Qualification

MBBS | MRCS (London) | FRCS (London)

Overview

Dr. Maruthesh Gowda C is a highly skilled and experienced Laparoscopic GI Surgeon currently associated with Manipal Hospital, Hebbal, specialising in robotic, laparoscopic, and open surgical procedures. He holds an MBBS degree and further pursued his education. He obtained MRCS (Membership of the Royal College of Surgeons) and FRCS (Fellowship of the Royal College of Surgeons) degrees from London. These prestigious credentials demonstrate his dedication to lifelong learning and staying up-to-date with surgical techniques. His list of publications in esteemed journals are impressive. His notable works are featured in esteemed publications such as Int J Colorectal Dis, Cases Journal, and BMJ Reports. His research primarily centres on the safety and feasibility of Laparoscopic Anterior Resection for complicated Sigmoid Diverticular Disease. This focus demonstrates his dedication to advancing surgical techniques and improving patient outcomes in this specific area. Dr. Maruthesh Gowda's primary areas of expertise lie in performing robotic, laparoscopic, and open surgeries for various gastrointestinal conditions. His skills encompass a wide range of procedures, including gastric bypass, sleeve gastrectomy, hiatus

hernia repair (acid reflux surgery), cholecystectomy (gallbladder removal), hemicolectomy (removal of a portion of the colon), colectomy, rectopexy, appendicectomy, inguinal hernia repair, incisional hernia repair, hemorrhoidectomy (using laser, open, or stapled techniques), fistulectomy, and sphincterotomy. His comprehensive approach to healthcare benefits his patients. He ensures that each person receives individualised care by creating treatment plans tailored to their particular requirements and medical background. He prioritises patient well-being and works to deliver the highest standard of surgical care thanks to his knowledge and compassionate demeanour. Dr. Maruthesh is the best GI surgeon in Hebbal, Bangalore. Dr. Maruthesh Gowda C is fluent in English and Hindi, effectively communicating with a diverse range of patients. Also, he has been honoured and recognised throughout his career for his outstanding contributions to surgical medicine. In 2006, he was awarded the Best Abstract Presentation in Liverpool, UK, showcasing his ability to deliver impactful research findings. In 2009, he received the Best Original Paper Presentation distinction at ASGBI, UK, highlighting his ability to present innovative and groundbreaking research to his peers. Furthermore, in 2010, he was recognised for his exceptional Audit Presentation in Edinburgh, further emphasising his commitment to quality improvement and patient safety. These honours and accomplishments demonstrate Dr. Gowda's devotion to his field and his ongoing quest for surgical practice excellence. His dedication to providing high-quality care and advancing surgical knowledge has won him the respect and admiration of his peers and colleagues.

Field of Expertise

- Robotic/Laparoscopic/open Gastric Bypass
- Robotic/Laparoscopic Sleeve Gastrectomy
- Robotic/Laparoscopic / Open Hiatus Hernia repair (Acid reflux Surgery)

- Robotic/Laparoscopic / Open Cholecystectomy
- Robotic/Laparoscopic / Open Right hemicolectomy
- Robotic/Laparoscopic / Open Left Hemicolectomy
- Robotic/Laparoscopic /Open Colectomy
- Robotic/Laparoscopic / Open rectopexy
- Robotic/Laparoscopic / Open appendicectomy
- Robotic/Laparoscopic / Open Inguinal Hernia repair
- Robotic/Laparoscopic / Open Incisional hernia repair
- Laser / Open/Stapled Haemorrhoidectomy
- Laser/ Open Fistulectomy/VAAFT for Simple/Complex Peri Anal fistula
- Laser / Open Lateral Sphincterotomy/BOTOX for Anal fissure
