

DR. KISHORE GOPAL DAS

Consultant - Paediatrician

Qualification

MBChB | DCH | MRCP

Overview

Dr. Kishore Gopal Das is a highly respected and experienced paediatrician based in Bangalore, currently practising at Manipal Hospitals, Hebbal. With a remarkable career spanning over 42 years, he has established himself as a renowned Child Specialist, providing expert care to numerous patients. He also holds memberships with the Royal College of Physicians of Ireland Dublin since 1993 and the Indian Academy of Paediatrics. This membership shows his prominence in the medical community and his continual pursuit of excellence in paediatrics. Dr. Kishore Das completed his MBBS degree from Baghdad University- College of Medicine in 1980. He further pursued a Diploma in Child Health from the Royal College of Physicians and Surgeons of Glasgow in 1988. In 1997, he obtained a Fellowship from the Royal College of Paediatrics and Child Health, UK. Dr. Kishore Das has completed additional courses to enhance his knowledge and skills as a testament to his commitment to professional growth and staying updated with the latest advancements in his field. Some of these courses include Modern Neonatal Care and Advances in paediatrics, which have further enriched his expertise in providing quality

healthcare to children. Dr. Kishore Das has held significant positions in prestigious healthcare institutions throughout his extensive career. He served as a Visiting Consultant/Head of the Department at St. Philomena's Hospital in Bangalore, contributing his expertise to the well-being of young patients. Additionally, he worked as a Visiting Consultant paediatrician at Hosmat Hospital and as a Consultant paediatrician in prominent hospitals across Bangalore, including Hosmat Hospital and R T Nagar Clinic. No wonder he is considered one of the best paediatricians in Hebbal, Bangalore. Dr. Kishore Das specialises in Neonatology, Paediatric Asthma, and Developmental Paediatrics. His profound knowledge and proficiency in these fields have earned him recognition and the trust of patients and colleagues. He is particularly skilled in providing comprehensive care to newborns, managing paediatric asthma cases, and addressing developmental concerns in children. Dr. Kishore Das is fluent in multiple languages, including English, Hindi, and Malayalam. This linguistic proficiency allows him to effectively communicate with patients and their families, ensuring clear and concise discussions regarding their health concerns and treatment options. Dr. Kishore Gopal Das is highly regarded in paediatrics for his vast experience, exceptional skills, and compassionate approach toward his patients. He has also made valuable contributions through his talks, publications, and clinical practice. He is the author of 'Babydoc,' a book aimed at caregivers of babies and children. Through his writing, he provides valuable insights and guidance to assist caregivers in raising healthy and happy children. His dedication to the well-being of children has earned him a well-deserved reputation as a trusted and respected paediatrician in Bangalore.
