

DR. ARCHANA MURALIDHARAN

Consultant - ENT & Head and Neck Surgeon

Qualification

MBBS | DLO | DNB (ENT)

Overview

Dr. Archana Muralidharan is a renowned ENT surgeon in Bangalore with over five years of experience in the field. She's currently practicing as a Consultant - Ear, Nose & Throat Surgery at Manipal Hospital Hebbal, Bangalore. Dr. Muralidharan is committed to providing comprehensive care for patients with a variety of ear, nose, and throat conditions. Her approach to treatment focuses on accurate diagnosis and personalized management plans, ensuring the best outcomes for her patients. Dr. Muralidharan holds a DNB from Sundaram Medical Foundation, Chennai, and a DLO from Bangalore Medical College. She completed her MBBS at the same esteemed institution. Her solid academic foundation equips her with the knowledge necessary to handle complex cases. Throughout her career, she has developed expertise in various aspects of ENT and head and neck surgery. Her areas of expertise include sinusitis, otitis media, and hearing disorders. Dr. Muralidharan is also skilled in performing endoscopic procedures, which minimize recovery time and discomfort for patients. Her dedication to staying updated with the latest advancements in ENT allows her to provide the best possible care to her patients. Dr.

Muralidharan actively participates in professional organizations such as the Indian Medical Association (IMA) and the Indian Society of Otology (ISO), which enhance her knowledge and skills in the field. Dr. Muralidharan has presented significant research, including her work on Endoscopic Optic Nerve Decompression. This earned her the 2nd Dr. S. Sadasivan Gold Medal for PG Paper Presentation at the TN State Conference in 2006. She has also contributed to various publications, with her research on the diagnostic value of pneumatic otoscopy and impedance audiometry being featured in the Bihar and Jharkhand Journal of Otolaryngology. Dr. Archana Muralidharan is fluent in multiple languages, including English, Hindi, Kannada, Tamil, and Malayalam. This linguistic versatility enables her to communicate effectively with a diverse patient population, fostering strong doctor-patient relationships.
