

DR. DEVARAJ SANNABOMMAJI

Consultant - Orthopaedics

Qualification

MBBS | D Ortho

Overview

Dr Devaraj Sannabommaji is a highly skilled and experienced orthopaedic consultant practising at Manipal Hospital in Hebbal. With a career spanning over 13 years, Dr Sannabommaji has established himself as a trusted and renowned orthopedician in Hebbal. Dr Sannabommaji completed his MBBS from Sri Siddartha Medical College in Bangalore, where he gained a solid foundation in medical knowledge and skills. Following his passion for orthopaedics, he pursued a Diploma in Orthopedics from JJMC Medical College in Davanagere. He gained extensive knowledge and skill in diagnosing, treating, and managing many orthopaedic problems due to his specialised training. As an orthopaedic consultant and trauma expert, Dr Sannabommaji has experience dealing with a broad spectrum of musculoskeletal injuries and diseases. He excels in managing complex fractures, joint dislocations, and other traumatic orthopaedic injuries. With his extensive experience, he has successfully treated numerous patients, helping them regain mobility and lead healthy, active lives. No wonder he is considered the best orthopaedist in Hebbal, Bangalore. Additionally, Dr Sannabommaji is acknowledged as an expert in bone

marrow transplants, demonstrating his commitment to keeping on the cutting edge of medical developments. He can give complete treatment for patients who need bone marrow transplants thanks to his experience, providing the best results and a higher standard of living. A comprehensive team of medical experts, including physiotherapists, spine surgeons, sports medicine experts, and accident and emergency doctors, work closely with Dr Sannabommaji. Patients will receive individualised, comprehensive treatment thanks to this cooperative approach. Dr Sannabommaji is dedicated to imparting his knowledge and experience to others in addition to his clinical practice. He actively participates in medical research and keeps up with the most recent orthopaedics research findings. He ensures his patients get the finest care by incorporating evidence-based practices into his treatment regimens. Dr Sannabommaji is conversant in Hindi, Kannada, and several other languages. This linguistic proficiency enables effective communication with patients from diverse backgrounds, ensuring they fully understand their diagnosis, treatment options, and post-treatment care instructions. With his compassionate and patient-centric approach, Dr Sannabommaji has earned the trust and respect of his patients and colleagues alike. He is renowned for his superb bedside manner, offering each patient customised attention and assistance throughout therapy. Dr Devaraj Sannabommaji is a highly skilled orthopaedic consultant who manages orthopaedic disorders and trauma-related injuries. He continues to significantly influence his patients' lives by helping them regain their mobility and enhance their general quality of life via his continuous dedication to excellence.
