

DR. SREEDHAR SINGH

Consultant - Orthopaedic Surgeon

Qualification

FRCS (Glasgow) | FRCS (Edinburgh) | MCh (Orth) | FRCS (Trauma & Orth)

Overview

Dr. Sreedhar Singh is the best orthopaedic surgeon in Bangalore, renowned for his exceptional professional skills and achievements. He is a Consultant at Manipal Hospitals, dedicated to providing exceptional patient care. Dr. Singh is well-known for his contributions to the healthcare sector through innovative treatment plans, particularly in treating serious injuries and congenital medical conditions. He has remarkable qualifications, including noteworthy degrees and certificates. Dr. Singh's fellowship in Limb Reconstruction and Ilizarov Fixation is one of his most remarkable accomplishments. He also holds an FRCS (Fellow of the Royal College of Surgeons) degree from Glasgow and Edinburgh and an MCh degree (Orth). These extensive qualifications demonstrate his dedication to extending his knowledge and expertise in orthopaedic surgery. He has international recognition for his vast knowledge and experience in orthopaedics surgery as a consultant. Dr. Singh's key specialities include joint replacement and sports injuries. Because of his extensive knowledge and surgical talents, he specialises in performing joint replacement procedures, such as total hip replacement, complete knee replacement, and

shoulder replacement. His skilled approach and attention to detail ensure that his patients receive accurate and long-lasting results. He also specialises in treating sports-related injuries such as ligament tears and fractures, assisting athletes and active persons in regaining mobility. No wonder he is considered the best orthopaedic surgeon in Hebbal, Bangalore. Dr. Sreedhar Singh has also attended national and international conferences, workshops, and seminars to remain up to speed on the newest advances in orthopaedic surgery. He guarantees that his patients receive the most advanced and effective care by incorporating the latest evidence-based practices into his treatments. Dr. Sreedhar Singh's hard work and brilliance have awarded him various honours and awards. He has demonstrated his athletic ability by winning state swimming championships and competing in half-marathon running competitions. This dedication to personal perfection extends to medical practice, where he strives for the most extraordinary levels of care. He is fluent in multiple languages, including Kannada, Hindi, and English. This allows him to effectively communicate with his patients under his care, making them feel comfortable and well-informed throughout their treatment journey. Furthermore, Dr. Singh's expertise is recognised internationally, as he is an AO Course Instructor at the Royal College of Surgeons of England. This prestigious role reflects his commitment to advancing surgical knowledge and training the next generation of orthopaedic surgeons. He has contributed to the global advancement of orthopaedic care and surgery by sharing his experience and knowledge with other surgeons through his role as an instructor.
