

DR. ANTONY ROBERT CHARLES

Consultant - Pediatric Surgeon & Pediatric Urologist

Qualification

MBBS | MS | MCh (Ped Surgery) | DNBE

Overview

Dr Antony Robert Charles is one of the best paediatricians in Bengaluru and is known for his services in child healthcare. He is a renowned surgeon & urologist for children, presently employed with the Manipal Hospitals, Hebbal, Bengaluru. He has an extraordinary experience around 27 years, with 22 years as a specialist. He completed his advanced training in paediatric surgery at the famous AIIMS hospital in New Delhi. Post that, he served as an Associate professor at St. John's Medical College, Bengaluru. Then he travelled to Australia and worked as a Fellow at the Children's Hospital in Westmead, Sydney. He got himself equipped in the fields of laparoscopy and urological science, thus focusing on the treatment of children for anything related to kidneys and the urological system. He had been practising his skills in child health with expertise in Laparoscopy, Urological Reconstructive Surgeries, and Neonatal Surgery and Emergencies. Moreover, he has gained experience treating complicated urological disorders related to children, especially during his tenure in Manipal and Columbia Asia in Bengaluru. No wonder he is considered one of the best paediatric surgeons in Hebbal, Bangalore. He has been a constant source of

inspiration for all the new doctors in the field. He has received the Lorimer Dodd – Excellence Award in Surgical Teaching from the University of Sydney for two consecutive years for his commitment to bringing advanced care to paediatric cases. He was awarded the Best Outgoing Student (Pope Paul VI Award). Dr Charles was also one of the main exponents of relief activities in Andaman and Nicobar after the Tsunami hit it. This humanitarian effort has elevated him to a different genre where people respect him and treat him like a saviour. Moreover, he actively supports ethical practices, especially related to children's prenatal and long-term care. Moreover, he is a staunch supporter of the protection of child rights. He has been an active contributor in authorship to various paediatric surgery journals and textbooks. Dr Charles is also the co-author of a chapter on Paediatric Nephrology. He is a multi-linguistic person who is well-versed in knowing regional languages, Tamil, Telugu, and Kannada, in addition to English, Hindi, and Marathi. This skill has given him an advantage where he can understand, feel and treat patients with scarce knowledge.
