Overview

Dr. M S Prasad is a highly trained dental surgeon with years of expertise. He works as a dental surgeon consultant at Manipal Hospitals Hebbal in Bangalore. He belongs to prestigious professional organisations, including the American Dental Association and the Indian Dental Association. He also registered himself with the Karnataka State Dental Council in 2007. These connections indicate his dedication to remaining current on improvements in dentistry practises and methods. He is the best dental surgeon in Hebbal. Dr. Prasad is a dental surgeon who is skilled in a variety of dental surgeries and treatments. His specialities include dental extractions, crowns and bridges, dentures, restorative and cosmetic repairs, root canal therapy, and dental implants. Dr. Prasad has practised dentistry at several notable institutions in addition to his present hospital affiliations. Dr. Prasad's Dental & Implant Institute, Advanced Dental Treatment Centre, Faridkot University, Punjab, and BP Koirala Institute of Dental Science, Kathmandu, Nepal, are among them. These experiences have broadened his knowledge and talents, strengthening his position as an authority in the sector. No wonder he is considered the best dental

surgeon in Hebbal, Bangalore. Dr. Prasad's devotion to dentistry is obvious in his quest for perfection and commitment to patient care. He attempts to give his patients the greatest quality dental services through his skill and sympathetic attitude. Dr. Prasad is fluent in English, Kannada, Hindi, Telugu, Malayalam, and Tamil. This multilingual fluency enables him to interact successfully with patients from various backgrounds, ensuring they feel at ease and informed during therapy. Patients may rely on Dr. M S Prasad to provide personalised and effective care at all times. Dr. Prasad graduated with BDS degree from Karnataka University in India. He continued his education in Implantology by attending the International Congress of Oral Implantologists, located in the United States. His desire to give the best possible treatment to his patients demonstrates his commitment to continued education and professional growth. His competence in dentistry and remarkable accomplishments make him a highly sought-after medical specialist. Dr. Prasad provides complete dental services to his patients. He provides dental examinations, professional teeth cleaning, dental fissure sealants, dental fillings, dental therapy for tooth restoration, root canal treatment, tooth removal, and dental implants. His emphasis on preventative treatment and patient education assists patients in maintaining good oral health and avoiding future dental issues. Dr. Prasad has established himself as a well-known and respected dentist in the community throughout his 16-year career. He is well-versed in recent dental methods and technology, ensuring his patients receive the best possible treatment. Dr. Prasad has been an active member of the dentistry community throughout his career.
