

DR. SUNIL SUDARSHAN HOSKOTE

Consultant - General and Laparoscopic Surgeon

Qualification

MBBS | MS (General surgery)

Overview

Dr. Sunil Sudarshan Hoskote is a reputed senior general surgeon based in Hebbal with more than 17 years of clinical practice experience and exceptional educational qualifications. His areas of expertise include breast conservative surgery, oncoplastic surgery, thyroid surgical procedures, general surgery, and laparoscopic surgeries. He is highly experienced in performing mastectomies such as modified radical mastectomies and skin-sparing mastectomies. Currently, Dr. Sunil Sudarshan Hoskote is providing services as a Consultant - General and Laparoscopic Surgeon at the Manipal Hospitals in Hebbal. He has also presented several papers at various conferences at the national and international level. Dr. Sunil has authored more than 10 publications in international and nationally indexed medical journals like the Journal of Evolution of Medical and Dental Sciences and the Indian Journal of Surgery. Dr. Sunil Sudarshan H holds a prestigious membership from the highly acclaimed ESSO or European Society of Surgical Oncology. No wonder he is the considered the best general surgeon in Bangalore. With more than 11 years of experience as a specialist in General Surgery, he has earned the reputation as one of the best breast

surgeons in the Hebbal area. Dr. Sunil Sudarshan Hoskote completed his undergraduate degree in 2005 and did his MS in 2011 from Father Muller's College in Mangalore. He has acquired memberships from well-known medical facilities like the Surgical Society of Bangalore and the Association of Surgeons of India. While doing his MS as a Senior Resident, he worked as an Assistant Professor in the same hospital for over a year. Dr. Sunil Sudarshan then worked as a Clinical Observer in Breast Surgery at Guys and St Thomas NHS Foundation Trust in London. He also practised as a Consultant - General Surgeon at St Martha's Hospital and Columbia Asia Hospital. Dr. Sunil Sudarshan is a specialist in performing several complex surgeries, such as vascular trauma procedures, surgery for gallbladder stone removal, inguinal hernia repair, sleeve resection guided by laparoscopy, hernia correction surgery, cardiothoracic surgical procedures, appendectomy, hiatus hernia procedure, and colorectal surgeries. The thesis work by Dr. Sunil Sudarshan Hoskote on the Pathophysiology of Gastrointestinal Perforations Management was accepted after evaluation by the Rajiv Gandhi University of Health Sciences and also met the partial requirements for the MS General Surgery award. Dr. Sunil Sudarshan H has also attended the 27th Annual Conference held by ASI or the Association of Surgeons of India. Patients find it easy to converse with this general surgeon, as he is fluent in Hindi, English, Telugu, and Kannada.
