

DR. BRAHM KAPUR

Consultant - Psychiatry

Qualification

MBBS | MD Psychiatry

Overview

Dr Brahm Kapur is a psychiatrist with extensive training, experience, and a solid medical background. He has established a firm name in the field because of his extensive educational background and many years of practical expertise. Due to his commitment to providing excellent mental health care for his patients, Dr Kapur has established a reputation as an empathetic and knowledgeable psychiatrist. In 1970, Dr Brahm Kapur graduated with his MBBS from Punjab's renowned Government Medical College. In 1972, he pursued his MD in Psychiatry at the Armed Forces Medical College in Pune. He gained a solid medical foundation and specific expertise in psychiatry due to his educational experience. He is the best psychiatrist doctor in Bangalore. Dr Kapur is a fellow of the Indian Psychiatric Association, demonstrating his dedication to continuing his professional growth. This involvement indicates his continued attempts to stay current on psychiatric breakthroughs and to advance the field through ongoing research and education. He is committed to his field by joining many psychiatric associations, including the Indian Psychiatric Society, the American Psychiatric Association, and the Indian Society of Aerospace Medicine.

No wonder he is considered the best psychiatrist in Hebbal, Bangalore. He maintains good contact with his patients because of his English, Hindi, and Punjabi proficiency. He supports fostering a friendly atmosphere where people may openly voice their worries and get assistance. Dr Brahm establishes a great relationship with his patients through his empathic approach, making them feel cherished and understood. Dr Kapur focuses on various mental health issues, including drug addiction, substitutive abuse, anxiety disorders, depression disorders, mood disorders, stress disorders, sleep disorders, and other psychiatric illnesses. He offers thorough psychiatric exams, diagnoses, and treatment programs that are customised to match the individual needs of each patient according to his vast training and expertise. Dr Brahm Kapur has worked at recognised hospitals throughout his career, furthering his knowledge and abilities. He has contributed significantly to patient care while holding the position of senior psychiatrist at Lake Side Medical Center. He has also worked at the Columbia Asia Hospital in Hebbal, where he acquired significant expertise in managing various mental disorders. Dr Kapur is registered with The Karnataka Medical Council as a medical practitioner. His adherence to the strictest medical ethics and dedication to continued professional growth are both guaranteed by this accreditation. Reputable psychiatrist Dr Brahm Kapur has a stellar educational background and a wealth of expertise in psychiatry. He is a sought-after proficient due to his obligation to give first-class psychological wellness care, affiliations in major mental affiliations, and capability in numerous dialects. Dr Kapur attempts to improve the prosperity of his patients and impact their lives by involving his involvement in recognising and treating various psychological wellness problems.
