

DR. SUJATHA RAMESH

Consultant - Allergy & Immunology

Qualification

MBBS | MD | Diplomate of the American Board of Allergy Immunology | Diplomate of the American Board of Pediatrics

Overview

One of Bengaluru's top experts in allergy and immunology is Dr. Sujatha Ramesh. She is a Consultant in Allergy and Immunology at Manipal Hospitals in Hebbal, Bangalore. She has 29 years of experience as a specialist and 39 years of total experience. Her areas of expertise include Immunology, Asthma, and Allergy. She has clinical experience treating newborns, kids, and teenagers with asthma, food allergies, allergic rhinitis, and other allergic illnesses. She also completed a paediatrics residency and is a recognised expert in children's allergies on a global scale. Dr. Sujatha Ramesh has held a Consultant in Pediatrics position at Columbia Asia Hospitals in Hebbal and Manipal Hospitals Yeshwanthpur in Bengaluru. She is an American Academy of Allergy, Asthma, and Immunology fellow. She was a committee member for the New York State Asthma Guidelines and the president of the Buffalo Allergy Society. Her areas of interest in the study include managing and preventing food allergies and the effects of urbanisation and lifestyle modifications on the emergence of allergic illnesses. She received the President of India's Gold Medal in 1975 as valedictorian of Lawrence School in Lovedale, India, for her remarkable

performance in academics and extracurricular activities. She also received the Young Investigator Award from Merck Pharmaceuticals for a proposal on an asthma outcome. The Women's and Children's Health Research Fund, the Buffalo, also presented the George and Harriet Rosenfeld Clinical Investigator Award. She has also written articles on the therapeutic use of intravenous immunoglobulin (IVIG) in children, Microscopic Polyangiitis in a Pediatric Patient, Clinical Reviews in Allergy & Immunology, and Food Allergy in Children.
