

DR. RAJENDRA KUMAR S

Consultant - ICU

Qualification

MBBS | DA | IDCCM

Overview

Intensive care medicine consultant Dr. Rajendra Kumar S has extensive experience in critical care and pain management. He has established himself as a knowledgeable and sympathetic healthcare practitioner with over 30 years of experience. He presently works at Manipal Hospitals in Hebbal, where he treats patients who require critical care treatments with the highest calibre of medicine. Dr. Rajendra Kumar S holds impressive qualifications that reflect his dedication to medical excellence. He obtained his MBBS degree, laying the foundation for his medical career. Building upon this, he pursued a Diploma in Anaesthesiology (DA), further expanding his knowledge and expertise in anaesthesia and related areas. He went on to complete the Indian Diploma in Critical Care Medicine (IDCCM), which specialises in managing critically ill patients. His commitment to professional growth is evident in his pursuit of continuous learning and improvement. Dr. Rajendra Kumar S has been awarded the ACLS (Advanced Cardiovascular Life Support) certification for his accomplishments. This certification highlights his proficiency in managing emergency cardiovascular situations and underscores his ability to provide critical

care interventions to patients with acutely life-threatening conditions. No wonder he is considered the best intensive care medicine consultant in Hebbal, Bangalore. Dr. Rajendra Kumar S actively participates in medical conferences and shares his knowledge and experiences through presentations. He presented a poster at the ISCCM (Indian Society of Critical Care Medicine) conference in Varanasi. Such engagements demonstrate his commitment to staying updated with the latest developments in the field and sharing his expertise with fellow healthcare professionals. As a consultant in the ICU, Dr. Rajendra Kumar S specializes in Critical Care Medicine and Pain Management. He has accumulated significant expertise in managing complicated medical cases, where he painstakingly determines the causes of patients' acute and life-threatening diseases and methodically treats them. He has a reputation for giving his patients individualized and sensitive care thanks to his attention to detail and sympathetic demeanour. Dr. Rajendra Kumar S is fluent in English, Kannada, and Hindi, enabling effective communication with patients from diverse linguistic backgrounds. This linguistic versatility allows him to establish strong connections with his patients, understand their concerns, and explain their conditions and treatment options clearly. To ensure a hassle-free patient experience, Dr. Rajendra Kumar S is always there for priority appointments through the medical experts of HexaHealth. Patients can benefit from his extensive expertise in critical care medicine and pain management by connecting with him. Dr. Rajendra Kumar S is a highly qualified and dedicated ICU and Critical Care Medicine consultant. With his vast experience, compassionate approach, and proficiency in pain management, he plays a vital role in providing exceptional medical care to patients, particularly those requiring critical care interventions.
