

DR. SATISH CHANDRA KINNI

Senior Consultant - Internal Medicine

Qualification

MBBS | MD (Internal Medicine)

Overview

Dr. Satish Chandra Kini is an experienced internal medicine specialist in Bangalore. He is currently practising as a Senior Consultant – Internal Medicine at Manipal Hospital Hebbal, Bangalore. With over 35 years of experience, Dr. Kini is a highly skilled physician known for his expertise in diagnosing and managing complex medical conditions. His vast experience in internal medicine includes handling critical care cases, managing lifestyle diseases, and providing preventive healthcare solutions tailored to each patient’s needs. Dr. Kini holds an M.B.B.S. and M.D. in Internal Medicine from Kasturba Medical College, Mangalore. His commitment to medical excellence is reflected in his continuous pursuit of knowledge, having attended national and international conferences on diabetes, nephrology, and pulmonary diseases. He has also actively contributed to medical education through lectures on clinical emergencies, lifestyle diseases, and advancements in internal medicine. His vast clinical exposure and research-backed approach make him a trusted healthcare provider. Dr. Kini specialises in treating chronic and acute illnesses, including diabetes, hypertension, cardiovascular diseases, respiratory disorders,

and infectious diseases. His ability to manage complex cases in critical care settings makes him an invaluable resource in handling emergencies. He has extensive experience in hospital information systems and ICD-10 coding, which enhances his precision in diagnosis and treatment planning. His expertise in intensive care and emergency response has been instrumental during health crises, including the COVID-19 pandemic and H1N1 outbreak. With a strong focus on patient-centric care, Dr. Kini believes in holistic treatment plans integrating lifestyle modifications, medication management, and preventive healthcare. He ensures that his patients receive personalised attention, addressing their concerns while providing evidence-based solutions. His in-depth knowledge of modern diagnostic techniques and treatment modalities enables him to offer high-quality care tailored to each individual's health condition. Dr. Kini is also skilled in managing geriatric health, metabolic disorders, and multi-organ conditions, making him a preferred consultant for long-term care patients. His ability to simplify complex medical information allows patients to understand their conditions and participate actively in their treatment plans. He advocates for regular health screenings, early disease detection, and timely interventions to improve patient outcomes and quality of life. Dedicated to medical advancements, Dr. Kini stays updated with the latest research in internal medicine. He regularly participates in medical forums, workshops, and training programs to enhance his clinical expertise. His contributions to continuing medical education ensure that he remains at the forefront of evolving treatment methodologies, benefiting his patients and the medical community. Dr. Kini's compassionate approach and commitment to excellence have earned him the trust of countless patients over the years. His ability to handle medical emergencies and his deep understanding of preventive and therapeutic medicine make him a leading internal medicine specialist in Bangalore. Fluent in English, Hindi, Konkani, Malayalam, Kannada, Tulu, and Tamil, Dr. Kini ensures clear and empathetic communication with patients from diverse

linguistic backgrounds, fostering a comfortable and trustworthy healthcare experience.
