Overview

Dr. Neha Chauhan is an experienced plastic and reconstructive surgeon in Bangalore. She is currently practising as a Consultant – Plastic, Reconstructive & Aesthetic Surgery at Manipal Hospital Hebbal, Bangalore. Dr. Chauhan brings with her over a decade of comprehensive experience in the field of plastic surgery, with specialised expertise in aesthetic surgery, reconstructive microsurgery, burns management, congenital anomalies, and paediatric plastic surgery. She is known for her precise surgical skills, aesthetic sensibility, and holistic approach to patient care. Her clinical philosophy revolves around achieving natural and safe outcomes while prioritising patient well-being, education, and long-term satisfaction. She is best Plastic Surgeon in Hebbal. After completing her MBBS and MS in General Surgery from Jawaharlal Nehru Medical College, Aligarh Muslim University, Dr. Chauhan went on to pursue her M.Ch. in Plastic and Reconstructive Surgery from VMMC & Safdarjung Hospital, New Delhi – one of India's most prestigious centres for plastic surgery training. Over the years, she has undergone advanced fellowship training across India and abroad, including prestigious programs in

Istanbul (with Dr Nazim Cerkes), Brazil (with Dr Ruth Graf), and Mumbai (with Dr Lakshyjit Dhami), covering domains such as aesthetic breast surgery, laser surgery, cleft and craniofacial work, and microsurgery. Dr. Chauhan has received numerous awards throughout her academic and professional journey, including the Kilner Essay Award (2022) by the Association of Plastic Surgeons of India, multiple university gold medals, and national recognitions for academic excellence and innovation. As a prolific academic contributor, she has authored textbook chapters, peer-reviewed research articles, and presented widely at national and international conferences. Her work spans topics from burn care and paediatric surgery to labiaplasty and breast aesthetics. Beyond clinical practice, Dr. Chauhan is a committed educator, researcher, and public advocate for plastic surgery. She actively writes for national publications to raise awareness and dispel myths around cosmetic procedures. She is also involved in mentorship and training programmes and has been instrumental in organising events and educational initiatives around World Plastic Surgery Day in India. With an eye for detail, a refined aesthetic approach, and a passion for patient-centred care, Dr. Neha Chauhan is regarded as a leading voice in the evolving landscape of aesthetic and reconstructive surgery in India.
