

DR. SWETHA DAMA

Associate Consultant - Gynecological Oncology

Qualification

MBBS | MS | FMIS | MCh (Gynaecologic Oncology)

Overview

Dr. Swetha Dama is a highly accomplished gynaecological oncologist in Hebbal, Bengaluru. She brings dedicated clinical experience in radical cancer surgeries, advanced minimally invasive (laparoscopic) procedures, Cytoreductive Surgery (CRS), Hyperthermic Intraperitoneal Chemotherapy (HIPEC), and preventive oncology. Dr. Swetha Dama is currently practising as an Associate Consultant – Gynaecological Oncology at Manipal Hospital, Hebbal, Bengaluru, where she provides comprehensive, evidence-based surgical care for women with cancers of the female reproductive tract. Recognised for her patient-centred approach and structured treatment philosophy, Dr. Swetha is regarded as one of the best gynaecological oncologists in Hebbal, Bangalore. Dr. Swetha completed her foundational MBBS followed by postgraduate MS training in Obstetrics and Gynaecology. She achieved apex super-speciality mastery by earning an MCh in Gynecologic Oncology, acquiring intensive clinical and operative training in diagnosing and staging complex pelvic malignancies. To advance her minimal-access procedural expertise, she completed a specialised Fellowship in Minimal Access Surgery (FMIS) certified by Rajiv Gandhi University of

Health Sciences (RGUHS). At Manipal Hospital Hebbal, Dr. Swetha Dama manages a comprehensive gynaecological oncology suite. Her clinical expertise covers the comprehensive surgical management of cervical, ovarian, endometrial, vulvar, and vaginal cancers. She possesses specialised proficiency in performing radical pelvic surgeries, advanced laparoscopic oncologic resections, cytoreductive surgeries with HIPEC for appropriately selected cases, colposcopy for lower genital tract neoplasia, cervical cancer screening, HPV vaccination, fertility-sparing oncology procedures, and hereditary cancer risk assessments. A dedicated researcher and academician, Dr. Swetha has authored multiple peer-reviewed scientific publications in indexed international and national journals—including ecancermedicalscience, International Journal of Gynaecological Cancer, Indian Journal of Gynecologic Oncology, and the GTN Atlas. She has actively presented her scientific research at premier global and national platforms, including the European Society of Gynaecological Oncology (ESGO) Congress and AOGIN scientific meetings. She holds active professional memberships in the Association of Gynaecological Oncologists of India (AGOI), Indian Association of Gynaecological Endoscopists (IAGE), European Society of Gynaecological Oncology (ESGO), and the Federation of Obstetric and Gynaecological Societies of India (FOGSI). Fluent in Kannada, English, Hindi, Telugu, and Gujarati, Dr. Swetha couples her technical surgical precision with an approachable and clear communication style. She prioritises multidisciplinary tumour board coordination and patient empowerment through detailed diagnostic explanations, individualised care pathways, and compassionate clinical guidance.
