

DR. SWARAG C V

Consultant - ENT

Qualification

MBBS | MS

Overview

Dr. Swarag C V is an experienced ENT specialist in Hebbal, possessing over 3 years of clinical and surgical experience in otorhinolaryngology. He is currently practising as a Consultant – ENT at Manipal Hospital Hebbal, Bangalore, with focused expertise in rhinology, endoscopic ENT procedures, airway management, and the medical and surgical management of ear, nose, and throat disorders. His clinical approach combines structured evaluation, evidence-based treatment pathways, and personalised patient care across a broad spectrum of ENT conditions. Dr. Swarag completed his MBBS from Norman Bethune Health Science Centre, Jilin University, followed by an MS in Otorhinolaryngology (ENT) from Jagadguru Jayadeva Murugarajendra Medical College (JJMMC), Davangere, under Rajiv Gandhi University of Health Sciences, where he graduated with distinction. During his three years of structured residency training at a tertiary-care teaching institution, he developed strong clinical and operative skills across multiple subspecialties within ENT. At Manipal Hospital Hebbal, Dr. Swarag manages a wide range of ENT conditions affecting both adult and paediatric patients. His clinical practice includes evaluation and

treatment of sinus disorders, nasal obstruction, recurrent throat infections, ear infections, hearing concerns, snoring and sleep-related breathing disorders, voice changes, and upper airway conditions. His expertise in comprehensive ENT care and endoscopic management has established him among the best ENT specialists in Hebbal for both routine and procedure-based ENT treatment. His procedural expertise includes diagnostic nasal endoscopy, Functional Endoscopic Sinus Surgery (FESS), septoplasty, tympanoplasty, adenoidectomy, tonsillectomy, turbinate reduction procedures, tracheostomy, tongue-tie release procedures, and emergency ENT interventions. He has also assisted in advanced procedures, including rhinoplasty, microlaryngeal surgery, tympanomastoidectomy, thyroidectomy, and superficial parotidectomy. His exposure to both conventional and endoscopic surgical approaches allows him to provide structured treatment pathways tailored to individual clinical needs. He holds certifications in BLS and ACLS from the American Heart Association and has completed training in biomedical research, ethics, and good clinical practice through ICMR-associated programmes. He is also an active member of the Association of Otolaryngologists of India (AOI) and the Indian Medical Association (IMA), reflecting his commitment to continuous learning and professional development. Fluent in English, Kannada, Hindi, and Telugu, Dr. Swarag ensures effective communication and personalised consultation experiences for patients from diverse backgrounds. His balanced approach, combining clinical precision, patient education, and surgical expertise, positions him among the best ENT doctors in Hebbal for comprehensive ENT consultations and surgical care.
