

DR. AKSHITA R SHETH

Consultant - OBG

Qualification

MBBS | DNB | CCGDM | PGDHHM | PGDMLE

Overview

A renowned Obstetrician and Gynecologist with over 15 years of practice, Dr. Akshita R Sheth has been associated as a consultant – OBG at Manipal Hospital Malleshwaram. After completing MBBS, the doctor has earned DNB, CCGDM, PGDHHM, and PGDMLE. Additionally, she has completed a Fellowship in FIAOG (Fellow - Indian Academy of Obstetrics & Gynaecology) and holds a Certificate in Gyn Endoscopy from FOGSI (Federation of Obstetric and Gynaecological Societies of India). Being a highly qualified and experienced physician, Dr. Sheth has become a life member of several prestigious organizations such as the BSOG, IMA, the Society of Maternal-Fetal Medicine (I), and the PCOS Society. She is the best obstetrician and gynaecologist in Bangalore. Dr. Akshita R Sheth has made significant contributions to the field of Obstetrics and Gynaecology through her areas of expertise including obstetrics, contraception, and high-risk pregnancy. Her expertise in high-risk pregnancy has earned her a reputation as one of the best in the field, providing exceptional care to women and their unborn babies. Her expertise in contraception has helped many women make informed decisions about their reproductive health. Her patients

speak highly of her compassionate and patient-centred approach toward their care. She takes the time to listen to her patients, understands their concerns, and provides them with personalized care that meets their unique needs. Dr. Sheth's dedication to her profession and her patients is evident through her extensive experience as a speaker at AICOG 2019 and her role as a PG Trainer at BSOG. She has also published research papers in indexed journals and is currently working as a co-author for a chapter by a team of the Society of Maternal-Fetal Medicine, India.
