

DR. SHUBHA GOPALKRISHNAN

Consultant - Obstetrics & Gynaecology

Qualification

MBBS | MD(OBG) | PGDMLE

Overview

Dr. Shubha Gopalkrishnan is a top Obstetrician and Gynaecologist in Bangalore. She is currently practising as a Consultant - Obstetrics and Gynaecology at Manipal Hospital, Indira Clinic. With extensive experience spanning over a decade, Dr. Shubha is highly skilled in managing high-risk pregnancies, obstetric emergencies, and complex gynaecological cases. She is a Top Gynaecologist in Indira Clinic, Bangalore. In high-risk pregnancy management, Dr. Shubha Gopalkrishnan routinely addresses patients with severe preeclampsia, twin gestation, and gestational diabetes, among other complications. She is adept at handling obstetric emergencies and has independently performed over 500+ caesarean sections, along with various gynaecological surgeries such as abdominal and vaginal hysterectomies. Her expertise extends to managing menstrual disorders, adolescent gynaecology, family planning, and contraception. Dr. Shubha is also proficient in performing hysteroscopies, IUD insertions and removals, and cervical cancer screening procedures. Dr. Shubha completed her MBBS from B.M. Patil Medical College, Rajiv Gandhi University of Health Sciences, Karnataka in 2007. She then

pursued an MD in Obstetrics and Gynaecology from Stanley Medical College, Dr. MGR Medical University, Chennai in 2013. Furthering her expertise, she obtained a PGDMLE from the National Law School of India University, Bengaluru, to enhance her understanding of medical ethics and legal aspects in healthcare. This academic foundation, combined with her extensive hands-on experience, positions her as a knowledgeable and trusted specialist in her field. A firm advocate for preventive women's reproductive health, Dr. G Shubha emphasises early detection and intervention in her practice. She counsels patients on family planning, adolescent health, and contraceptive methods to support overall women's health. Her approach combines medical knowledge with patient-centric care, ensuring that each woman receives tailored guidance based on her specific health needs. Dr. Shubha has presented research at medical conferences, including cases on primary amenorrhea and high-risk pregnancy complications. Her commitment to staying current with advancements in obstetrics and gynaecology is reflected in her membership in various professional organisations. Fluent in English, Kannada, Tamil, and Hindi, she can effectively communicate with a broad range of patients, ensuring clarity and comfort in all interactions.
