

DR. MANASA MOHAN

Consultant - General Surgery

Qualification

M.B.B.S (Bachelor of Medicine and Bachelor of Surgery) March 2014 | M.S. General Surgery, August 2021

Overview

Dr. Manasa Mohan is an experienced general surgeon in Bangalore. She is currently practising at Manipal Hospital, Yeshwanthpur, Bangalore. With over 3 years of dedicated experience in the field, Dr. Manasa is highly regarded for her expertise in General Surgery and Minimal Access Surgery. She completed her MBBS from Raichur Institute of Medical Sciences, Raichur, Karnataka, and earned her Master of Surgery (M.S) from Bangalore Medical College and Research Institute, Bangalore, Karnataka. After completing rigorous medical training and surgical residencies, Dr. Manasa has honed expertise in minimally invasive surgery, acute abdominal emergencies, and general surgical procedures like hernia repairs and gall bladder. She holds a Fellowship in FIAGES and has undergone extensive training in laparoscopic and robotic surgery techniques. As a dedicated and experienced general surgeon, Dr. Manasa is committed to providing high-quality, compassionate care to patients facing a wide range of surgical needs. Dr. Manasa has extensive expertise in diagnosing and treating a wide range of surgical conditions, specializing in performing complex procedures with precision, all while prioritizing the patient's overall well-being throughout the entire process. Known for combining technical skills with a compassionate approach, Dr. Manasa believes in a collaborative relationship with patients, ensuring they are well informed and comfortable throughout their surgical journey. Fluent in English, Kannada, Hindi and Malayalam, Dr. Manasa is able to communicate effectively with a diverse patient population, ensuring clear, personalized care for individuals from all backgrounds. This multilingual proficiency allows Dr. Manasa to break down language barriers and foster a strong rapport with patients, promoting trust and understanding.
