

DR. SUNIT SAXENA

HOD - Anaesthesiology

Qualification

MBBS | MD - Anaesthesiology

Overview

Dr. Sunit Saxena is a seasoned Consultant in Anaesthesiology at Manipal Hospitals, Jaipur, bringing over four decades of clinical experience to his role. He earned his MBBS in 1981 and completed his MD in Anaesthesiology in 1986, establishing a strong academic foundation for his medical practice. Throughout his extensive career, Dr. Saxena has been dedicated to delivering exceptional anaesthesia care across a wide range of surgical procedures. His expertise encompasses general, regional, and local anaesthesia, as well as advanced pain management strategies. He is particularly skilled in managing complex cases in cardiac, neuro, paediatric, and obstetric anaesthesia, ensuring patient safety and comfort during critical interventions. Beyond his clinical responsibilities, Dr. Saxena is actively involved in medical education and research. He has presented papers at various conferences, including the VI Annual Conference of the Indian Society of Anaesthesiologists in Jodhpur, where he secured third prize for his presentation. His commitment to continuous learning is evident through his participation in numerous Continuing Medical Education (CME) programs and conferences. Dr. Saxena is a respected

member of professional bodies such as the Indian Society of Anaesthesiology and the Medical Practitioner Society, reflecting his dedication to upholding high standards in medical practice. His contributions to the field have been instrumental in advancing anaesthesia practices within the region. Patients seeking expert anaesthesia care can consult Dr. Sunit Saxena at Manipal Hospitals, Jaipur, located on Main Sikar Road, Sector 5, Vidhyadhar Nagar. Appointments can be scheduled by calling +91 91166 56540 or through the hospital's official website.
