

DR. MAHESH BAGARIA

Consultant - Urology

Qualification

MBBS | MS (General Surgery) | Mch (Urology)

Overview

Dr. Mahesh Bagariya is the Best Urologist in Jaipur, recognised for his expertise in diagnosing and managing a wide range of urological conditions. He completed his MBBS and MS in General Surgery from prestigious institutions, followed by a specialisation in Urology with an MCh degree from IKDRC-ITS, Gujarat. With over seven years of experience, Dr. Bagariya has developed a comprehensive understanding of the complexities associated with urological health. His clinical expertise encompasses a variety of urological procedures, including include andrology, pediatric urology, female urology, kidney stone treatment and prevention, prostate enlargement, uro oncology, male infertility, sexual urethroplasty, nephrectomy, and kidney transplants. Dr. Bagariya is also proficient in urinary tract reconstruction, urodynamics, and the management of urinary incontinence. He has assisted in robotic surgeries as well as independently performed renal transplants (live & cadaver donor) including pediatric recipients and assisted renal transplants. In addition to these specialities, Dr. Bagariya has a strong focus on the treatment and prevention of urinary tract infections (UTIs) and is experienced in

robotic-assisted surgeries. His commitment to advancing patient care and utilising the latest surgical techniques positions him as a leading figure in the field of urology. Dr. Mahesh Bagariya's dedication to comprehensive patient care and his extensive knowledge make him a trusted consultant for those seeking treatment for urological conditions. His ability to combine technical expertise with compassionate care ensures that his patients receive the highest standard of treatment.
