

DR. MANISHA GUPTA

Consultant - Obstetrics and Gynaecology

Qualification

MBBS | MS (OBG) | FMAS

Overview

Dr. Manisha Gupta, a Top Gynecologist in Jaipur, is a highly experienced Senior Consultant in the Obstetrics and Gynaecology department at Manipal Hospitals, Jaipur. With a successful career spanning over 16 years, Dr. Manisha has established herself as a distinguished practitioner in her field. Dr. Gupta's medical journey began with an MBBS degree from Jawaharlal Nehru Medical College (JLNMC), Ajmer, followed by an MS in Obstetrics and Gynaecology from Gajra Raja Medical College (GRMC), Gwalior in 2010. Further enhancing her expertise, she pursued a Fellowship in Minimal Access Surgery (FMAS), focusing on advanced surgical techniques that have become central to modern gynaecological practice. For the past 15 years, Dr. Manisha has specialised in endoscopic and laparoscopic surgeries, offering minimally invasive solutions to her patients. Her skill in these areas has made her a trusted name for procedures that require precision and care, significantly reducing recovery times and improving outcomes for her patients. In addition to her surgical prowess, Dr. Manisha has considerable experience in treating gynaecological malignancies and performing onco-gynaecological surgeries. Her

commitment to staying at the forefront of medical advancements ensures that her patients receive the most effective and up-to-date treatments available. Dr. Manisha's expertise extends to managing high-risk pregnancies, a testament to her comprehensive skill set in obstetrics. Her ability to handle complex cases with confidence and care has earned her the trust of countless families. Furthermore, she is well-versed in infertility treatments, providing compassionate and personalised care to couples on their journey to parenthood. Fluent in Hindi and English, Dr. Manisha Gupta is recognised not only for her clinical excellence but also for her compassionate approach and clear communication ensuring that her patients are well-informed and comfortable throughout their treatment journey. Her dedication to patient care and well-being makes her a leading figure in the field of Obstetrics and Gynaecology.
