

DR. KIRTI PANDIA

Consultant - Pathology

Qualification

MBBS | DNB (Pathology)

Overview

Dr. Kirti Pandia is a highly experienced and accomplished Consultant Pathologist at Manipal Hospital Jaipur, specializing in Laboratory Medicine in Jaipur. With more than 13 years of professional experience, Dr. Pandia holds an MBBS degree and a DNB in Pathology. Over the years, she has built a strong reputation for her expertise in a variety of medical disciplines, including histopathology services in Jaipur, oncopathology in Jaipur, haematology in Jaipur, biochemistry analysis in Jaipur, and diagnostic cytology procedures in Jaipur. Notably, she is highly skilled in performing complex ultrasound- and CT-guided fine needle aspiration cytology (FNAC) for accurate, minimally invasive diagnoses. Dr. Pandia’s academic foundation is solid, and she has a robust research background. Her thesis work focused on the hormone receptor status, HER2neu, and Ki67 labelling in breast cancer, particularly looking at how these markers correlate with prognostic factors in patients. This research has provided valuable insights into improving the management of breast cancer. She has authored numerous research papers and publications in prestigious medical journals, contributing to the understanding of several important topics

such as Ewing’s sarcoma, adenoid basal cell carcinoma, clinical drug trials, metabolic syndrome, and diabetic peripheral neuropathy. These publications have not only expanded the knowledge base in pathology services in Jaipur but have also demonstrated Dr. Pandia’s commitment to advancing medical science. In her professional journey, Dr. Pandia has held several leadership roles, including Head of Department and Lab Director in NABL-accredited laboratories in Jaipur. She has played a pivotal role in the accreditation process for these laboratories, ensuring they meet the highest standards of quality. Additionally, Dr. Pandia has been instrumental in setting up immunohistochemistry departments in Jaipur, a critical area of pathology, and in managing central laboratories in Jaipur to optimize laboratory operations. Her dedication to providing the best services has earned her several accolades, including the prestigious "Circle of Excellence Award," recognizing her significant contributions to improving laboratory medicine. Dr. Pandia’s commitment to patient care and quality diagnostics is what truly sets her apart. Fluent in both Hindi and English, she is known for her compassionate and patient-centric approach, ensuring that each individual receives the best possible care and support. Her passion for pathology and her continuous drive to enhance pathology services in Jaipur reflect her unwavering dedication to improving patient outcomes and advancing diagnostic techniques. For those in search of trusted pathology services in Jaipur, Dr. Kirti Pandia’s expertise, dedication, and diagnostic precision make her an invaluable healthcare professional in the region.
