

DR. AJAY CHOUDHARY

Consultant - Dental Medicine

Qualification

BDS | MDS

Overview

Dr. Ajay Choudhary is an accomplished and highly skilled dental surgeon with over a decade of experience in the field of dentistry. Specializing in preventative dentistry in Jaipur, dental implants in Jaipur, cosmetic dentistry, and advanced oral healthcare, Dr. Choudhary has earned a reputation for providing comprehensive and personalized dental care. Currently serving as a Consultant Dentist at Manipal Hospital Jaipur, he is well-known for his patient-centred approach, delivering tailored and cost-effective dental solutions that prioritize both the aesthetic and functional aspects of oral health. Dr. Choudhary's academic journey began at the prestigious KLE Vishwanath Katti Institute of Dental Sciences in Belgaum, where he earned his undergraduate degree. He later pursued his Master's degree (MDS) in Prosthodontics and Implantology at AECS Maruthi College of Dental Sciences in Bangalore, studying under eminent professors like Dr. Chandrashekhar Nair and Dr. Jayakar Shetty. Seeking to further enhance his expertise, Dr. Choudhary completed international certifications, including an Advanced Implantology Course from Goethe University in Germany and an Oral Implantology

Certification from NITTE University in Mangalore, establishing himself as a leading expert in his field. Dr. Choudhary is a distinguished implantologist in Jaipur, widely recognized for his proficiency in performing successful implant surgeries across India. His expertise in dental implants in Jaipur has positively impacted many patients seeking long-term solutions for tooth loss. Additionally, his contributions to dental research, particularly his work on crown-to-implant ratios and peri-implant strain, have earned him recognition in the dental community. He has also served as an insightful educator, previously lecturing at Coorg Institute of Dental Sciences and AECS Maruthi College, where he inspired and mentored the next generation of dental professionals through his engaging teaching and lectures. A dedicated humanitarian, Dr. Choudhary believes in giving back to the community and actively participates in free dental camps in Jaipur and rural healthcare initiatives. As a registered volunteer for Colgate's "Dentist First" program and a health partner with GlaxoSmithKline, he ensures that high-quality dental care is made accessible to underserved populations. His humanitarian efforts have further solidified his reputation as a compassionate and community-focused healthcare provider. Fluent in Hindi and English, Dr. Choudhary is committed to providing comprehensive dental care, including tooth extractions in Jaipur, smile designing in Jaipur, and emergency dental treatments. His expertise, compassion, and dedication make him a trusted name for those seeking the best dental care in Jaipur.
