

DR. RAJESH KUMAR KANOJI

Consultant - Orhtopedics

Qualification

MBBD | MS (orthopedics)

Overview

Dr Rajesh Kumar Kanoji is a highly experienced and respected orthopaedic surgeon based in Jaipur, with over 27 years of expertise in the field of orthopaedics. He holds an MBBS and an MS in Orthopaedics from SMS Medical College, Jaipur, and has further enhanced his skills through advanced fellowship training in orthopaedics and trauma surgery. Dr Kanoji specialises in advanced trauma surgery, spine surgery, hand surgery, PCL reconstruction surgery, and meniscus repair surgery. He is known for performing complex orthopaedic and trauma procedures with ease, consistently achieving excellent surgical outcomes that rival the best surgeons globally. His expertise also extends to arthroscopy procedures, allowing minimally invasive treatment options for joint problems. Patients across Rajasthan highly appreciate his skilful approach and compassionate manner.
Throughout his career, Dr Rajesh Kumar Kanoji has been involved in teaching and training medical students and orthopaedic trainees, contributing to the development of future orthopaedic specialists. He has also published peer-reviewed research articles and actively participates in orthopaedic research to advance the field further. His

commitment to combining clinical excellence with education and research makes him a leading figure in orthopaedic care in Jaipur. Dr Kanoji addresses a wide range of orthopaedic conditions, including fractures, meniscus tears, rotator cuff injuries, spinal issues like herniated discs and sciatica, and bone tumours. He provides comprehensive care involving both surgical and non-surgical treatments tailored to individual patient needs. Patients seeking orthopaedic consultation and advanced orthopaedic procedures can find Dr Rajesh Kumar Kanoji at Manipal Hospital in Jaipur. His dedication to patient-centred care, surgical precision, and continuous learning ensures the highest standards of orthopaedic treatment. Aligning his vision with Manipal Hospitals, Dr Kanoji is passionate about patient-centricity and prioritisation.
