

**DR. SANJAY SHARMA**

Consultant - General and Oncological Surgery

**Qualification**

MBBS | MS (General Surgery) | Mch (Surgcial Oncology)

## Overview

Dr. Sanjay Sharma is a highly respected Surgical Oncologist with more than two decades of experience in managing complex cancers through evidence-based surgical care. Renowned for his academic depth and clinical expertise, Dr Sharma has dedicated his career to advancing cancer treatment while maintaining user-centric, compassionate care. Alongside academics, Dr. Sharma has extensive hands-on experience as a Consultant in General and Oncological Surgery, having performed thousands of major cancer surgeries with consistently strong outcomes. Dr. Sharma completed his MBBS and MS (General Surgery) from Sardar Patel Medical College, Bikaner, followed by MCh in Surgical Oncology from Sri Aurobindo Medical College & PG Institute, Indore, one of India’s prominent cancer training centres. His rigorous training has equipped him to manage a wide spectrum of malignancies with precision and confidence. His clinical expertise includes head and neck cancers, oral cavity cancers, breast cancer, gastrointestinal malignancies, and complex oncological resections. He is particularly known for adopting meticulous surgical techniques aimed at achieving optimal oncological clearance while preserving function and quality of

life. An accomplished academician, Dr. Sanjay Sharma has multiple national and international research publications to his credit. His research work spans epidemiological studies, clinicopathological analyses, and rare case reports, reflecting his strong commitment to evidence-driven oncology. Several of his papers have been published in reputed peer-reviewed journals, contributing meaningfully to cancer literature. Dr. Sharma’s approach to care emphasises ethical practice, clear patient counselling, and multidisciplinary collaboration. Patients value his calm demeanour, transparent communication, and thorough explanation of treatment options, which helps them make informed decisions with confidence. With a blend of clinical excellence, academic leadership, and compassionate care, Dr. Sanjay Sharma continues to be a trusted name in surgical oncology, delivering advanced cancer care aligned with global standards, while consistently prioritising patient safety, long-term outcomes, and holistic recovery across every stage of treatment.
