

DR. SWAPNIL JAIN

Consultant - Neurology

Qualification

MBBS | MD(General Medicine) | DrNB(Neurology)

Overview

Dr. Swapnil Jain stands as a distinguished Consultant Neurologist in Jaipur, armed with elite credentials including MNAMS, a Doctorate of National Board (DrNB) in Neurology from Indraprastha Apollo Hospitals, New Delhi (2019–2022), MD in General Medicine from S.M.S. Medical College, Jaipur (2014–2017), and MBBS from the same institution (2007–2012). His academic prowess shines through prestigious international scholarships: from the International Headache Society for the Young Headache Physicians Congress (iHEAD & IHC) in Berlin (2024) and Seoul (2023), and from the International Parkinson & Movement Disorder Society for presentations at MDS Conferences in Denmark (2023) and Madrid (2022). A top performer, he ranked #2 in the Rajasthan Pre-PG Examination and #205 All India in 2014, while clinching 1st Prize in the Neurology Quiz at WSDCON-2022 and 1st Runner-Up at DNACON-2022. Dr. Jain's professional network underscores his global standing as a Life Member of the Indian Medical Association, Indian Stroke Association, and Association of Physicians of India; Associate Member of the Rajasthan Chapter of API; and active member (2022–2024) of the European Stroke Organization, World

Stroke Organization, International Headache Society, and International Parkinson and Movement Disorder Society. In clinical practice, Dr. Jain excels at diagnosing and managing indoor, outdoor, and ICU patients, deftly handling medical and neurological emergencies. He seamlessly bridges theoretical knowledge with practical application, demonstrating flexibility, adaptability, and relentless motivation to advance patient care. Patients in Delhi-NCR and beyond trust his expertise in stroke, headache disorders, movement disorders, and critical neurology, making him a cornerstone of comprehensive neurological services. To stay at the forefront of neurological advancements and continuously enhance his expertise, Dr. Swapnil Jain regularly attends prestigious national and international conferences. His original research has been published in reputed medical journals, with active participation in paper and poster presentations that foster knowledge exchange among global peers. This dedication ensures he delivers the most current, evidence-based care to his patients.
