

DR. DEEPAK YADUVANSHI

Consultant - Pulmonary (respiratory and Sleep Medicine)

Qualification

MBBS | MD | DNB - Respiratory Medicine | Fellowship - Critical Care Medicine

Overview

Dr. Deepak Yaduvanshi is a Consultant in Pulmonary (Respiratory and Sleep Medicine) at Manipal Hospitals, Jaipur. With a robust academic background and extensive clinical experience, he specialises in diagnosing and treating a wide array of respiratory disorders, including allergies, asthma, chronic obstructive pulmonary disease (COPD), and sleep-related breathing issues. Dr. Yaduvanshi's medical qualifications encompass an MBBS, MD, and DNB in Respiratory Medicine, complemented by a Fellowship in Critical Care Medicine. His comprehensive training equips him to manage complex pulmonary conditions and deliver critical care with precision and empathy. At Manipal Hospitals, Dr. Yaduvanshi is renowned for his patient-centric approach, ensuring accurate diagnoses and personalised treatment plans. His commitment to excellence is evident in his meticulous attention to patient care and his dedication to staying abreast of the latest advancements in pulmonology. Beyond his clinical practice, Dr. Yaduvanshi has contributed to the medical community through various publications in the field of pulmonology. His insights and research have been instrumental in advancing the understanding and treatment of

respiratory ailments. During the COVID-19 pandemic, Dr. Yaduvanshi played a pivotal role in educating the public about the virus's implications on respiratory health. In a notable initiative, he discussed the potential impact of a third wave of COVID-19, emphasising its severity, effects on children, and necessary precautionary measures. Patients seeking consultation with Dr. Yaduvanshi can schedule appointments by contacting Manipal Hospitals, Jaipur. Whether addressing routine respiratory concerns or complex pulmonary conditions, Dr. Yaduvanshi's expertise and compassionate care make him a trusted choice for patients in Jaipur and beyond.
