

DR. D R DHAWAN

HOD - Urology

Qualification

MBBS | MS | DNB - Urology

Overview

Dr. Divya Ratan Dhawan is an HOD in Urology at Manipal Hospitals, Jaipur, known for his expertise in advanced urological care. With a robust academic foundation comprising an MBBS, MS, and DNB in Urology, Dr. Dhawan brings extensive experience and specialised knowledge to his practice. At the forefront of minimally invasive and robotic-assisted surgical techniques, Dr. Dhawan specialises in laparoscopic urology surgeries and renal transplants. His proficiency in procedures like Retrograde Intrarenal Surgery (RIRS) for kidney stone removal underscores his commitment to leveraging cutting-edge technology for optimal patient outcomes. Beyond his surgical acumen, Dr. Dhawan is deeply invested in patient education and awareness. He actively participates in health initiatives, such as World Kidney Day and World Organ Donation Day, providing insights into kidney health and the significance of organ donation. His informative sessions on prostate health and urinary incontinence further reflect his dedication to comprehensive urological care. Dr. Dhawan's contributions extend to academic literature, with numerous publications in the field of urology and robotic-assisted surgery, highlighting his role in advancing medical

knowledge and practices. Patients seeking expert urological consultation can schedule an appointment with Dr. Dhawan at Manipal Hospitals, Jaipur. His patient-centric approach, combined with his surgical expertise, ensures high-quality care tailored to individual needs.
