

DR. NEHA GODARA

Consultant - Gynaecology & Obstetrics

Qualification

MBBS | Diploma in Gynaecology & Obstetrics

Overview

Dr. Neha Godara is an accomplished Obstetrician and Gynecologist in Jaipur at Manipal Hospitals with over 12 years of experience in the field. She earned her MBBS degree from the prestigious B.J. Medical College in Ahmedabad, one of India’s leading medical institutions. Dr. Godara further honed her skills by completing her post-graduation in Obstetrics and Gynecology from the renowned SMS Medical College and Hospital in Jaipur, with a particular focus on women's health at the Zanana & Mahila Chikitsalaya. Throughout her career, Dr. Godara has demonstrated exceptional expertise in managing complex obstetric cases, including challenging antenatal care and high-risk deliveries. Her proficiency in performing Lower Segment Caesarean Sections (LSCS) and handling difficult deliveries has earned her a reputation for excellence in her field. Dr. Godara is deeply committed to ensuring that no woman is deprived of basic antenatal care and services, and she has made it her mission to improve maternal health outcomes. Dr. Godara’s professional journey includes valuable experience at renowned institutions, where she developed her skills in a highly competitive environment. Although she cleared both the RPSC and

UPSC examinations, her passion for the corporate healthcare sector led her to pursue a career in the private sector. Over the years, she has served in various reputed hospitals, including ECHS, Barala Hospital in Chomu, and Imperial Hospital. For the past six years, Dr. Godara has been a key member of the medical team at MHJ, where she continues to provide exceptional care to her patients. Fluent in Hindi, Punjabi, Marwari and English, Dr. Neha Godara is recognised not only for her clinical excellence but also for her compassionate approach and clear communication ensuring that her patients are well-informed and comfortable throughout their treatment journey. Dr. Godara's dedication to her field, coupled with her extensive experience, makes her a trusted and reliable healthcare provider, particularly in the domain of obstetrics and gynaecology.
