

DR. DIVYA SHREE J

Consultant - Interventional Pulmonology

Qualification

MBBS | MD (Pulmonary Medicine) | Fellowship in Interventional Pulmonology

Overview

Dr. Divya Shree J is a highly skilled pulmonologist in Jayanagar, Bangalore, with specialisation in the diagnosis and treatment of complex airway, lung, and pleural diseases. Dr. Divya is currently practicing as a Consultant - Interventional Pulmonology at Manipal Hospital Jayanagar. With a patient-centred approach, she employs cutting-edge, minimally invasive techniques to provide advanced respiratory care, which positions her as a top pulmonologist in Jayanagar, Bangalore. Dr. Divya Shree completed her MBBS from KIMS, Bengaluru, and pursued her MD in Pulmonary Medicine at BJ Medical College, Ahmedabad, where she was awarded a Gold Medal for academic excellence. Further enhancing her expertise, she underwent a Fellowship in Interventional Pulmonology which further honed her expertise in advanced bronchoscopic and pleural procedures. Dr. Divya Shree specialises in a wide range of pulmonary procedures, including basic and advanced bronchoscopy techniques such as Endobronchial Ultrasound (EBUS), Transbronchial and Cryolung biopsy, Airway Dilation, Stenting, Radial EBUS, CBCT biopsy, and Whole Lung Lavage. She is proficient in managing conditions like mediastinal

lymphadenopathy, pulmonary nodules, lung cancer, airway obstructions, interstitial lung diseases, foreign body aspiration, and pleural effusions. She is also skilled in Sleep Disorders, where she focuses on the diagnosis and management of disorders like sleep apnea, insomnia, and narcolepsy. A top pulmonologist in Bangalore, Dr. Divya Shree is known for her contributions to pulmonology through research, presentations, and academic engagements. She has presented her findings at renowned conferences such as NAPCON and NATCON and was actively involved in the Bedaquiline Study on DR-TB patients at BJ Medical College. Additionally, she played a vital role in the RNTCP Zonal Task Force during the 2015 Swine Flu outbreak, showcasing her dedication to public health.
