

DR. SUHAIL S GAUR

Consultant- ENT

Qualification

MBBS | MD (Physician) | DNB Otorhinolaryngology (ENT)

Overview

Dr. Suhail S Gaur is a highly experienced and skilled ENT specialist dispensing his services at Manipal Hospital Jayanagar. He completed his post-graduation in otorhinolaryngology from Manipal Hospital, Bangalore, in Sep 2014 and MBBS, MD (Physician) from Lugansk State Medical University, Ukraine, in June 2011. Dr. Suhail has also been involved in service improvement delivery, teaching and management. He has all the dedication to excel in the field of otorhinolaryngology, and his objective is to improve the lives of those needing him, such as patients, consultants, superiors, and staff. He holds a special interest in the field of pediatric airways and swallowing disorders. He is the best ENT consultant in Jayanagar. The doctor wants to continue his medical practice and education to learn and improve for the benefit of himself and the patients. His career journey started with an internship program at Bhatia Hospital, Mumbai, where he worked from Jan 2013 to Jan 2014. He joined Jupiter Hospital, Thane, as a Resident Medical Officer (ICU) and served there till July 2014. He joined Manipal Hospital, Bangalore, as a PG trainee and completed his in September 2017. He was offered a House Officer position at Kurla Bhabha Hospital. After

working there for a few months, Dr. Suhail joined a reputed hospital named Prime Certificate Hospital as a Senior Registrar. After gaining ample experience and skills, Dr. Suhail joined Manipal Hospital in 2020 as a senior registrar and is currently an ENT specialist. In fact, Dr. Suhail is one of the best ENT surgeons in Bangalore. Dr. Suhail's field of expertise includes Paediatric ENT & Airway Surgeries - tonsillectomy, adenoidectomy, myringotomy, microscopic ear surgeries - tympanoplasty, mastoid surgery, stapedectomy, Endoscopic Sinus surgeries - septoplasty, fess, turbinoplasty, lacrimal sac surgery, Skull-base Surgeries - petrous apex tumours, paragangliomas, vestibular schwannomas, evaluation of snoring & sleep apnoea and corrective surgery, voice disorders & laser-assisted microscopic surgery - vocal polyps, nodules, cysts, tumour of vocal cords, airway & swallowing disorders in children & elderly, ENT emergencies - tracheostomy, foreign bodies, airway obstruction, nasal bleed, neck trauma, evaluation & management of giddiness, tinnitus, nasal allergy, head & neck swellings (thyroid, submandibular Glands, parotid gland and Lymph Nodes), airway reconstructive procedures - tracheal resection and anastomosis. Dr. Suhail has attended many conferences and courses, the first one in Bangalore in July 2016 on managing the paediatric airway and swallowing disorders. He also attended the National ENT update at Mangalore in Jan 2016. The doctor attended several breakthroughs conferences such as Calmed ENT Update (Calicut, Kerala) in Apr 2017, Management of Pediatric Airway and Swallowing Disorders (Bangalore) in July 2018, Current Trends in Middle Ear and sinus surgery (Mumbai) in July 2018, Mentcon ENT Update (Nasik, Maharashtra) in Dec 2018, ORL-HNS Congress and annual conference (Hyderabad) in Jan 2019, Live surgical workshop on frontal sinus (Thane, Mumbai) in Mar 2019, Umbrella approach in Vertigo (Thane, Mumbai) in June 2019, Medical management of thyroid disorders (Mumbai) in Aug 2019, and Management of pediatric airway and swallowing disorders (Bangalore) in March 2019.
