

DR. DIPTI BASKAR

Consultant - Neurology

Qualification

MBBS | MD(General Medicine) | MRCP SCE (Neurology) | DM (Neurology) | PDF (Neuromuscular Disorders)

Overview

Dr. Dipti baskar is the best neuro specialist in Bangalore, currently associated with Manipal Hospitals Jayanagar as a consultant neurology. Throughout her academic and clinical career, Dr. Baskar has developed a comprehensive skill set encompassing neurology, neuromuscular disorders, electroneuromyography, neuromuscular ultrasound, myology, and clinical genetics. With a special interest in neuromuscular disorders, Dr. Dipti Baskar's major focus lies in evaluating and managing peripheral nerve and muscle disorders as well as various neurological disorders in general neurology. As Best Neuro Specialist in Bangalore, Dr. Dipti Baskar's diagnostic and treatment capabilities are complemented by strong research acumen, excellent communication skills, and meticulous attention to detail. Dr. Dipti brings an impressive academic background and clinical expertise to her practice, having completed extensive training and numerous fellowships. Her medical journey began with her MBBS from Madras Medical College (MMC) in 2012, followed by an MD - General Medicine at Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER), Puducherry, in 2017. To further augment her skills, she

obtained the MRCP SCE in Neurology from the Federation of the Royal Colleges of Physicians of the United Kingdom in 2018. Dr. Dipti Baskar's passion for neurology led her to NIMHANS, Bengaluru, where she completed her DM - Neurology in 2021. This was followed by a rigorous Post-doctoral Fellowship in Neuromuscular Disorders at NIMHANS from January to December 2022. Dr. Baskar is known for her collaborative approach and ability to work effectively in multidisciplinary teams, making her a valuable asset in any clinical or research setting. Her training at NIMHANS has equipped her with a deep understanding of the complexities of neuromuscular diseases and a robust general neurology foundation. Her clinical insights are backed by a significant body of research, with a total of 27 publications, including 16 in international journals and 11 in national journals. Adding to that, Dr. Dipti's dedication to advancing neurology has been recognised with several prestigious awards. She is a highly accomplished neurologist in Jayanagar whose expertise in neuromuscular disorders, coupled with her significant academic and research contributions, makes her a leading figure in her field.
