

DR. ANURAG SHRIKANT LAVEKAR

Consultant - Medical Gastroenterology & Hepatology

Qualification

MBBS | MD (General Medicine) | DM (Medical Gastroenterology & Hepatology)

Overview

Dr. Anurag Shrikant Lavekar is a medical gastroenterologist and hepatologist who specialises in the management of complex digestive, pancreatic, and liver conditions. He combines his experience of high-volume advanced endoscopies with structured treatment plans to treat disorders of the digestive system. Dr. Lavekar’s core expertise spans therapeutic ERCP, diagnostic and interventional EUS, inflammatory bowel disease (IBD) care, chronic liver disease management, and gastrointestinal oncology. Alongside his clinical practice, he actively participates in clinical research to integrate current therapeutic advancements into patient care, making him one of the best gastroenterologists in Jayanagar, Bangalore.

Field of Expertise

- Gastrointestinal Endoscopy (OGDscopy, Colonoscopy, Sigmoidoscopy)
