

DR. LINGARAJU A. P.

Consultant - Orthopaedics

Qualification

MBBS | MS - Orthopaedics | Fellowship in Joint Replacement Surgeries | Fellowship in Arthroplasty

Overview

Dr. Lingaraju A. P. is an orthopaedic surgeon with two decades of experience and is widely recognised for his active involvement in academic research and orthopaedic education. He is highly proficient in joint replacement surgeries, arthroscopic procedures, complex fracture management, and the treatment of hip and knee disorders. With a strong commitment to patient-centred care, Dr. Lingaraju focuses on improving mobility and functional outcomes for individuals suffering from degenerative and traumatic musculoskeletal conditions. Having performed over 2000 knee and hip replacements, his multidisciplinary approach ensures comprehensive, evidence-based care tailored to each patient's specific needs, making him one of the leading orthopaedic surgeons in Jayanagar, Bangalore.
