

DR. GIRISH RAM KAMAT

Consultant - Laparoscopic and General Surgery

Qualification

MBBS | M S (General Surgery)

Overview

Dr. Girish Ram Kamat consults in general and laparoscopic surgery at the Manipal Hospital in Jayanagar, Bangalore. Due to his extensive training and expertise, he specialised in surgical procedures and has earned a reputation for giving patients excellent care. In 1994 and 1996, respectively, Dr. Girish Ram Kamat earned his MBBS and MS (General Surgery) degrees from Karnataka University in India. He has committed his career to surgery and is an expert in laparoscopic techniques. He provides his patients with cutting-edge treatment choices because of his dedication to remaining current with the most recent developments in the industry. Laparoscopic surgery is one of Dr. Kamat's key fields of competence. Dr. Kamat has developed his abilities in this area and is now exceptionally skilled at doing abdominal operations, laparoscopic sleeve resections, endoscopic procedures, and treatments for gallbladder stones. Dr. Girish Ram Kamat has experience with various surgical techniques in addition to laparoscopic ones. He offers specialised treatment for conditions like tonsillitis, thyroid issues, anomalies of the liver, and colorectal issues. He is qualified to do tiny procedures with extreme care and accuracy

because he also has experience in cardiothoracic surgery. For the same reason, he is considered to be the best doctor for Laparoscopy in Bangalore. Dr. Kamat has gained the respect and trust of his patients and his peers thanks to his extensive expertise spanning over 20 years. He worked as a consultant at Promed Hospital before joining Manipal Hospital, where he had a tremendous impact on surgery and patient care. His commitment to providing top-notch healthcare keeps him motivated, and he uses his professional practice to give back to the medical industry. Due to his membership in the Karnataka Medical Council, Dr. Girish Ram Kamat is guaranteed to uphold all ethical and professional norms. His registration with the council was first made in 1994, the same year he earned his medical degree. In addition to his accomplishments in medicine, Dr. Kamat is multilingual and easily speaks English, Kannada, Hindi, and Marathi. His multilingual skills enable him to communicate with people from various walks of life and guarantee that they fully understand their medical issues and potential treatment options. Dr. Girish Ram Kamat's dedication to his patient's well-being, extensive qualifications, experience, and field of expertise make him an outstanding general surgeon. His association with Manipal Hospital in Jayanagar, Bangalore, reinforces the hospital's commitment to providing high-quality healthcare services to the community.
