Overview

Dr. Uday M. Muddebihal is an esteemed general surgeon in Bangalore. He is currently practicing as a Consultant - General Surgery at Manipal Hospital Jayanagar and has over 40+ years of experience. Renowned for his exceptional expertise across a wide range of surgical specialisations and his unwavering dedication to patient care, Dr. Uday has earned a reputation as one of Bangalore's leading general surgeons. His dual role as a practitioner and educator has made him a beacon of inspiration for aspiring and practicing surgeons alike. He is the best general surgeon in Bangalore. Dr. Uday began his illustrious medical journey by earning his MBBS degree from Karnataka Medical College, Hubli. He then pursued his MS in General Surgery from Mumbai, setting the stage for a career marked by excellence and innovation. He holds the distinguished Triple FRCS degree from Glasgow, Edinburgh, and England—an achievement that underscores his unmatched skill and commitment to his field. Further enhancing his credentials are fellowships such as FICS, FAMS, and FAIS, reflecting his dedication to lifelong learning and professional growth. Dr. Uday specialises in laparoscopic surgeries and performs a broad spectrum of

procedures with remarkable precision. His expertise spans hernia repair, endocrine surgeries, gall bladder surgeries, colorectal procedures, and other minimally invasive techniques. Over his extensive career, he has successfully conducted complex surgeries, including appendectomies, liver resections, cholecystectomies, gastric bypasses, melanoma excisions, and catheter placements. His meticulous approach and attention to detail have resulted in consistently positive outcomes for his patients. Beyond clinical practice, Dr. Uday is deeply involved in academia. He serves as an Adjunct Professor of Surgery at KMC, Mangalore, and as an Examiner for MRCS at the Royal College of Surgeons of England and Edinburgh. These roles enable him to shape the next generation of medical professionals while staying at the forefront of advancements in general surgery. Dr. Uday has also contributed significantly to medical literature, with numerous papers published in national and international journals. Being multilingual and fluent in English, Kannada, Hindi, and Arabic, Dr. Uday bridges cultural and linguistic gaps to provide seamless communication and compassionate care to patients from diverse backgrounds. His unparalleled expertise, dedication to continuous learning, and patient-centric approach make Dr. Uday M. Muddebihal a cornerstone of excellence in the field of general and laparoscopic surgery.
