

DR. R MANJUNATH

Consultant - Internal Medicine

Qualification

MBBS | MD (GENERAL MEDICINE)

Overview

Dr. R. Manjunath is a senior internal medicine doctor in Jayanagar, having over three decades of experience in treating intricate metabolic disorders. Dedicated to providing holistic adult patient care, he skilfully guides individuals through both routine health maintenance and complex disease management. Driven by a strong commitment to evidence-based medicine and compassionate interactions, Dr. Manjunath crafts highly personalised treatment protocols rooted in rigorous diagnostic assessments. By fostering transparent communication and utilising structured therapeutic interventions, he actively promotes long-term health management, securing the best possible outcomes for those under his care.
