

DR. RAJSHEKHAR C JAKA

Consultant - Surgical Oncology

Qualification

MBBS | MS | DNB (GS) | DNB (Surgical Oncology) | FRCS | Robotic Fellowship | European Board Certified | Robotic Surgery

Overview

Dr. Rajshekhar C. Jaka is a distinguished cancer surgeon in Bangalore with over 22+ years of experience in surgical oncology. He is currently practising as a Consultant - Surgical Oncology and Robotic Surgery at Manipal Hospital Jayanagar. Dr. Jaka is highly regarded for his expertise in managing complex cancer cases, ranging from gastrointestinal malignancies to gynaecological oncology. With a robust academic foundation and advanced training in robotic surgery from the Rosewell Park Cancer Institute in New York, he is a leader in the field of minimally invasive cancer surgeries. He is a senior surgical Oncologist in Jayanagar. Dr. Jaka’s impressive qualifications include an MBBS, MS, DNB in General Surgery, DNB in Surgical Oncology, FRCS, and a Robotic Fellowship. He excels in performing complex cancer surgeries, including rectal, throat, kidney, urological, and gastrointestinal cancer surgery. His skills also extend to gynaecological oncology, where he performs breast-conserving surgery and gynaecological cancer procedures with precision and care. Additionally, Dr. Rajshekhar C. Jaka is proficient in treating cancers of the tongue, cheek, oral cavity, and thyroid and managing conditions such as soft tissue sarcomas and

mediastinal tumours. Throughout his illustrious career, Dr. Jaka has received numerous accolades for his contributions to medical science. He secured the prestigious Mysore Surgical Society PG Award in 2006 and the Millennium Gold Medal Award in 2015 for performing a groundbreaking total robotic three-stage esophagectomy. Other notable recognitions include the GCRI Fellowship, UICC Fellowship, and multiple academic awards for his excellence in surgery. His achievements reflect his commitment to advancing oncology treatment through innovation and dedication. In addition to his clinical expertise, Dr. Rajshekhar Jaka plays a pivotal role in various medical organisations. He has served as the joint secretary and later as the secretary of the Surgical Society of Bangalore, director of Education & Training (South India) for the Association of Breast Surgeons of India (ABSI), and Vice President of the Bangalore Oncology Group. He also reviews research for the Indian Journal of Gynecologic Oncology and leads the Sankalpa Chase Cancer Foundation and Research Trust, demonstrating his dedication to research, education, and patient advocacy. Being multilingual and fluent in Hindi, English, Kannada, Telugu, and Marathi, Dr. Jaka ensures effective communication with patients from diverse linguistic and cultural backgrounds. Known for his kindness and humility, he is deeply committed to providing compassionate, patient-centred care, making him one of the most trusted cancer surgeons in Bangalore.
