

DR. GOPAL KRISHNA B A

Consultant - Orthopaedics

Qualification

MBBS | DNB | FAA (UK) | FARCS (AUS)

Overview

The highly successful and talented orthopaedic consultant Dr. B. A. Gopal Krishna is well renowned for his skills in keyhole surgery, arthroplasty, trauma, and joint replacement operations. Dr. Gopal Krishna has made a reputation for himself as a dependable and esteemed authority in orthopaedics because of his strong educational background and a long list of achievements. Dr. Gopal Krishna holds a Bachelor of Medicine, and Bachelor of Surgery (MBBS) degree, and is a Diplomate of the National Board (DNB) in Orthopaedics/Orthopaedic Surgery. He also earned the Fellow of the Australasian College of Surgeons (FARCS) from Australia and the American Academy of Orthopaedic Surgeons (FAA) from the United Kingdom. These qualifications showcase his commitment to continuous learning and remaining updated with the latest advancements in his field. With a wide range of expertise, Dr. Gopal Krishna specialises in joint replacement surgeries, which involve replacing damaged or diseased joints with artificial ones to restore mobility and reduce pain. He also succeeds in trauma surgery, arthroscopy, and keyhole medical procedure methods that empower negligibly obtrusive strategies with quicker patient recuperation times. For the same reason, he is considered the best orthopedic doctor in Jayanagar Bangalore. Due to his proficiency in English, Kannada, and Hindi, Dr. Gopal Krishna can interact with patients from various socioeconomic backgrounds. This language adaptability improves the patient-doctor connection and ensures patients are fully informed about their illnesses and available treatments. His contributions to the field of Orthopaedics are not limited to clinical practice. Dr. Gopal Krishna has presented several clinical papers and talks on various orthopaedic topics. He has published articles on rare side effects of COVID-19 and Heterotopic Ossification, demonstrating his commitment to sharing knowledge and advancing the field. Throughout his career, Dr. Gopal Krishna has been awarded with recognition for his outstanding work. He was honoured with the Best Clinical Paper Presentation award at Trichur-KOA in 2006 and the Best Paper Presentation award at OASIS Ossapcon in Tirupathi in the same year. He was also awarded the ITLS Provider Award in 2007, highlighting his dedication to providing high-quality trauma care. The Karnataka Orthopaedic Association, Bangalore Orthopaedic Society, Karnataka Medical Council, and Bangalore Arthroscopy Society are some of the significant medical associations in which Dr. Gopal Krishna effectively participates. These affiliations further exhibit his commitment to continuing with training, cooperation, and giving his patients the best treatment conceivable. With a comprehensive range of services, Dr. Gopal Krishna offers fracture treatment, joint replacement surgery, arthroscopy, trauma surgery, and various pain treatments, including neck, hand, hip, back, and knee pain. His expertise extends to chronic pain treatment and sciatica pain management. To sum up, Dr. B A Gopal Krishna is a renowned orthopaedic consultant with an impressive background in the discipline. He continues to contribute significantly to the profession and enhance the lives of his patients thanks to his broad credentials, specialised experience, and commitment to patient care.
